

Anura Renews SOC 2 Type 2 Certification

Anura Renews Their SOC 2 Type 2 Certification, Strengthening Commitment to Security and Data Integrity

MIDDLETOWN, DE, UNITED STATES, November 4, 2025 /EINPresswire.com/ -- [Anura](#), a leading [ad fraud solution](#), recently renewed their SOC 2 Type 2 compliance. This certification reinforces Anura's commitment to maintaining the highest standards of security, confidentiality, and data integrity for its clients.

SOC 2 Type 2 compliance validates that Anura's systems and processes are designed to effectively safeguard sensitive data over an extended period, providing clients with confidence that their information is protected according to stringent industry standards.

“

Holding a SOC 2 Type 2 compliance reflects our ongoing commitment to security, transparency, and trust. ”

Rich Kahn, CEO and Co-Founder of Anura

“Holding a SOC 2 Type 2 compliance reflects our ongoing commitment to security, transparency, and trust,” said Rich Kahn, Co-Founder and CEO of Anura. “Our clients rely on Anura not only to protect their ad spend from fraud but also to ensure their data is handled with the highest standards of security.”

With SOC 2 Type 2 certification, Anura continues to demonstrate verified security and confidentiality by maintaining robust policies and controls to protect client

data over time. The independent audit provides transparency and trust, validating adherence to strict standards and giving clients confidence that their information is secure. By achieving this certification, Anura enables clients to scale their operations knowing their campaigns are monitored by a platform that prioritizes both fraud protection and data integrity.
