

Kuvings Thailand Launches Biggest 11.11 Sale of the Year

Up to 40% Off on the New 'Kuvings AUTO10S' Juicer

THAILAND, SOUTH KOREA, November 4, 2025 /EINPresswire.com/ -- Kuvings Thailand is launching its biggest 11.11 sale of the year, running from November 3 to 17, offering exclusive discounts and benefits through its official online store.

The promotion is exclusively available through the official [Kuvings Thailand online store](https://kuvings.in.th) (kuvings.in.th), where customers can purchase the brand's latest hands-free slow juicer, the [AUTO10S](#), at 40% off. During the promotional period, customers will also receive two complimentary gifts: an ice cream maker attachment and a mini blender. In addition, those who submit a photo review will receive a Kuvings premium stainless-steel bottle as an extra gift.

The AUTO10S is designed with a 3,000cc large-capacity hopper and automatic cutting system, allowing users to juice whole fruits and vegetables with ease. A key highlight of the model is its hands-free function, enabling users to prepare juice while simultaneously attending to other tasks. The application of a stainless-steel cutting blade ensures excellent durability, while the juicer comes with a 10-year motor warranty, making it a highly trusted choice among consumers.

Kuvings' commercial bestsellers, the CS600 and CS520, are also included in the promotion at 30% off. Widely used in juice bars and cafés, both models come with the same complimentary gift set as the AUTO10S, and customers who participate in the photo review event will receive a 1-year extended warranty.

The promotional graphic for the Kuvings AUTO10S juicer features a central image of the juicer with green juice being dispensed. To the left, a pink speech bubble contains the text '11.11 BIG SALE' and 'up to 40% off'. Below this, a 'FREE GIFT' box shows a mini blender and an ice cream maker attachment. To the right, a 'REVIEW GIFT' box shows a premium stainless-steel bottle. Above the juicer, a '10 YEARS WARRANTY' badge is displayed, along with a 'SURGICAL GRADE STS 316L STAINLESS STEEL' badge. Logos for Forbes, USNews, NBC Business Insider, The New York Times, and SPARK are also present.
