What Are The Current Leading Growth Drivers For General Transport Market?

The provision of on-demand delivery services by courier companies has modernized the speed

and efficiency in parcel delivery. This service allows customers the flexibility of receiving their packages at a time and place that is most convenient for them. It can also be synchronized with point-of-sale systems and e-commerce platforms, making it a more cost-effective, quicker, and reliable parcel delivery option for courier service providers. UberRUSH, for example, is an on-demand courier service provider in New York, Chicago, and San Francisco. The service is widely used for tasks such as prescription medicine delivery, laundry collection and delivery, quick food delivery, and marijuana delivery. Leading providers of on-demand delivery services include Postmates, Deliv, Sidecar, and Amazon Flex in the USA, PiggyBaggy in Finland, and Nimer in Norway.

Which Companies Are Currently Leading In The General Transport Market?

Major players in the General Transport include:

- Amazon.com Inc.
- United States Postal Service
- United Parcel Service Inc.
- Deutsche Post AG
- FedEx Corporation
- Japan Post Holdings Company Ltd.
- Le Groupe La Poste
