“

We are excited to begin this new chapter for Nasmyth. Sigma’s strategy aligns perfectly with our vision for growth.”

John Rooney, CEO - Nasmyth

This acquisition marks an important milestone in Nasmyth evolution, providing a strong and stable foundation for continued innovation, expanded capacity, and the delivery of high-quality engineering solutions to customers worldwide. Sigma’s proven track record in design, development and manufacturing will bring valuable strategic insight and financial strength to support Nasmyth’s next phase of growth.

Pramod Raju, Director - Sigma Advanced Systems UK Ltd commented:

“We are delighted to welcome Nasmyth group to the Sigma family. This acquisition is an important step to our growth strategy in the global aerospace industry. Sigma and Nasmyth will look to leverage Nasmyth’s Tier-1 supplier status to Major OEMs as they bid for large work

packages. We look forward to supporting the company's continued success and international expansion."

John Rooney, CEO - Nasmyth added:

"We are excited to begin this new chapter for Nasmyth. Sigma's strategy aligns perfectly with our vision for growth, and we are already investing in our facilities to increase capability and capacity to meet rising demand across the aerospace and defence sectors. Together, we are well positioned to build on Nasmyth's long-standing reputation for quality, reliability, and innovation."

Nasmyth were advised by a team from Interpath and would like to extend their sincere thanks for their team's invaluable support, guidance, and commitment during the transaction process.

Chris Pole, Managing Director, Interpath commented:

"We are pleased to have advised on this transaction, which brings together two highly complementary organisations, creating a formidable platform for continued growth and scalability. We wish them all the very best for the future."
