IRS-authorized e-file provider TaxZerone outlines key steps and resources to help exempt organizations file accurately and on time.

SAN JOSE, CA, UNITED STATES,
November 5, 2025 /EINPresswire.com/
-- Nonprofit organizations with a fiscal year ending June 30, 2025, or those that filed Form 8868 to obtain an automatic extension, are reminded that the deadline to file their [Form 990 series](#) returns is November 17, 2025.

Organizations must file the applicable form from the 990 series—Form 990-N, 990-EZ, 990, 990-PF, or 990-T—depending on their size, structure, and financial activity.

“Nonprofits play a vital role in our communities. Ensuring that their tax filings are submitted accurately and on time helps preserve their good standing and continued exemption,” said a TaxZerone spokesperson. “We strongly encourage organizations not to wait until the last minute to complete their returns.”
