

# Introducing the Winchester Model 98 Nickel Deluxe Signal Cannon

*Dunlap Cannon Co. unveils its newest Winchester Signal Cannon creation — the Model 98 Nickel Deluxe*

SANDUSKY, MI, UNITED STATES, November 5, 2025 /EINPresswire.com/ -- Dunlap Cannon Co., the exclusive licensed manufacturer of the Winchester Model 98 Signal Cannon, proudly announces the release of the Winchester Model 98 Nickel Deluxe — a refined new addition to the legendary Model 98 lineup.

The Nickel Deluxe features a nickel finish applied to the barrel and breech components, delivering exceptional corrosion resistance and a distinctive two-tone appearance that pays tribute to earlier models. The result is a cannon that blends heritage with modern manufacturing — elegant enough for display, yet rugged enough for generations of use.

“

The Winchester Model 98 Nickel Deluxe captures the spirit of the original while elevating its finish and durability. A modern expression of craftsmanship and commitment to American-made excellence.”

*John Dunlap, President of  
Dunlap Cannon Co.*

“The Winchester Model 98 Nickel Deluxe captures the spirit of the original while elevating its finish and durability,” said John Dunlap, President of Dunlap Cannon Co. “It’s a modern expression of Winchester’s enduring craftsmanship and commitment to American-made excellence.”

Each Model 98 Nickel Deluxe cannon is machined, assembled, and finished entirely in the United States using 100% American-sourced raw materials. The satin nickel finish enhances protection against the elements — ideal for marine, ceremonial, and outdoor use — while giving

the cannon a refined, timeless look.

True to Winchester's cannon heritage, the Model 98 Nickel Deluxe is serialized, test-fired, and presented in a handcrafted pine crate bearing the iconic Winchester® mark. It joins the Model 98 Classic and Model 98 Double as part of a growing lineup celebrating more than a century of Winchester's legacy in signaling, ceremony, and craftsmanship.
