

AssurX Promotes Stephanie Ojeda to Vice President, Product Management, Life Sciences and Manufacturing

As Vice President, Stephanie will lead product development efforts, driving innovation and executing product roadmaps aligned with AssurX's strategic vision.

RENO, NV, UNITED STATES, November 4, 2025 /EINPresswire.com/ -- AssurX, a leading provider of

“

Stephanie's promotion reflects her exceptional leadership and profound understanding of the challenges our customers face.”

Tamar June, CEO

quality management and regulatory compliance software, today announced the promotion of [Stephanie Ojeda](#) to Vice President, Product Management, Life Sciences and Manufacturing.

With her new role, Ojeda will continue to lead product development efforts, driving innovation and executing product roadmaps aligned with AssurX's strategic vision. She will ensure the company's solutions continue to address evolving customer needs across highly regulated

industries.

Ojeda brings more than 18 years of hands-on experience leading Quality Assurance functions in pharmaceutical, biotechnology, medical device, food & beverage, and manufacturing sectors. Her deep expertise on the consumer side of Quality Management System (QMS) software enables her to infuse real-world insights and practical perspectives into AssurX's product strategy, enhancing value for customers worldwide.

“Stephanie's promotion reflects her exceptional leadership and profound understanding of the challenges our customers face,” said Tamar June, CEO at AssurX. “Her ability to translate frontline quality experience into innovative, customer-centric solutions will accelerate our mission to deliver best-in-class compliance software.”

Ojeda holds a Bachelor of Science in Chemistry from Saint Louis University, a Green Belt certification in Six Sigma, and is an ASQ Certified Quality Auditor (CQA).
