“

Their equipment offers professional-grade quality with innovative features like quick-change attachment systems, advanced hydraulics, and operator-friendly controls.”

Adam Nichols

has built a reputation as one of the largest used commercial mower dealers in the country while also serving as an authorized dealer for leading brands including Scag, Ferris, Wright, Ariens, and Echo. The addition of Rippa Equipment represents a significant expansion into the compact construction machinery market.

"We're excited to bring Rippa Equipment's innovative solutions to Ohio," said Adam Nichols, owner of GSA Equipment. "Their commitment to quality, performance,

and value aligns perfectly with our mission to provide our customers with the best equipment at competitive prices. This partnership allows us to serve the growing needs of contractors and property owners who require reliable, compact machinery for a wide range of applications."

Rippa Equipment, manufactured by Shandong Rippa Machinery Group Co., Ltd., is a global leader in compact construction machinery with 12 intelligent production lines capable of producing over 150 units daily. The company's product line includes:

- Mini excavators ranging from 1 to 50 tons
- Compact skid steer loaders with versatile attachment systems
- Backhoe loaders and wheel loaders
- Specialized attachments for various applications
- Forklifts and material handling equipment

Rippa machines are distinguished by their use of trusted engines from manufacturers such as Kubota, Yanmar, and Briggs & Stratton, along with CE and EPA certifications for reliable performance. The equipment is designed for durability and ease of operation, making it ideal for construction, landscaping, agricultural, and industrial applications.

"Rippa Equipment's focus on delivering the highest value at each price point—not simply the cheapest option—resonates with our business philosophy," Nichols added. "Their equipment offers professional-grade quality with innovative features like quick-change attachment systems, advanced hydraulics, and operator-friendly controls."

As the exclusive Ohio dealer, GSA Equipment will maintain inventory of popular Rippa models, provide expert sales consultation, and offer comprehensive service and parts support through its full-service repair department. The company's experienced technicians, certified in multiple engine platforms, are equipped to handle maintenance and repairs for the entire Rippa product line.

GSA Equipment serves communities throughout Summit, Stark, Wayne, Medina, and Portage
