"Wendell's unparalleled commitment to legal innovation and proven ability to scale global technology organizations will elevate our board's strategic vision," said Jacqueline Schafer, Founder & CEO of Clearbrief. "We are confident his leadership will accelerate our mission and reinforce our values of integrity, collaboration, creativity, and continuous innovation."

With nearly three decades at the forefront of legal technology and innovation, Wendell Jisa brings a rare blend of vision, operational rigor, and deep domain expertise to Clearbrief. As a successful founder and serial entrepreneur, Wendell has built and scaled companies that redefine how legal teams engage with data, AI, and automation.

At Reveal, he architected one of the most comprehensive and advanced AI ecosystems in legal tech, leading strategic acquisitions and the development of groundbreaking tools like ASK and aji. His approach has not only transformed the eDiscovery landscape but has helped shape the broader future of AI in law. Wendell's leadership will be instrumental in guiding Clearbrief's next

phase of strategic growth and innovation.

“Clearbrief is redefining how legal professionals engage with AI, and I’m thrilled to join at such a pivotal time,” said Wendell Jisa. “The company’s vision aligns perfectly with where the industry is heading, and that is towards intelligent, intuitive, and truly transformative technology. I’m honored to support Clearbrief’s mission as Board Chairman and look forward to helping shape the future of legal innovation alongside this talented team.”
