

NTRX Unveils Redesigned Corporate Website to Enhance Investor and Developer Experience

OTC: NTRX today announced the launch of its newly redesigned corporate website, Entrex.net

BOCA RATON, FL, UNITED STATES, November 4, 2025 /EINPresswire.com/ -- OTC: NTRX today announced the launch of its newly redesigned corporate website, Entrex.net.

The new site features a clean, professional design with dedicated sections for investors and developers, offering streamlined access to news articles, contact information, and a slick user interface to better understand the Entrex mission. The redesign improves transparency, navigation, and communication for all stakeholders in the Entrex ecosystem.

This launch marks another step in NTRX's commitment to operational excellence and investor accessibility, ensuring that both capital partners and industry developers can easily engage with Entrex's mission: to transform stranded energy into productive, revenue-generating digital infrastructure.

“

We believe the new Entrex website speaks to our initiatives rolling up \$50 million in EBITDA of Bitcoin Mining Acquisitions”

Stephen H. Watkins

To explore acquisition potential and begin partnership discussions, investors are encouraged to follow Entrex at @OfficialNTRX for timely updates.

About Entrex:

Entrex (OTC:NTRX) acquires and operates proven, cash-flow-positive energy infrastructure assets, beginning with natural-gas-powered Bitcoin mining units. NTRX provides

investors with transparent, yield-driven exposure to tangible assets that generate both financial and environmental returns.
