

Goodwin Hospice and Present for You Celebrate Partnership's 2,000 End-of-Life Doula Visit Milestone

ALEXANDRIA, VA, UNITED STATES, November 6, 2025 /EINPresswire.com/ -- [Goodwin Hospice and Present for You LLC](#) announced a milestone in their two-year collaboration: 2000 end-of-life doula visits to Goodwin Hospice patients and families. The partnership between Goodwin Hospice and Present for You underscores both organizations' commitment to providing compassionate, whole-person care that supports the emotional, spiritual and psychosocial needs of those at the end of life. This announcement comes as both organizations recognize National Hospice and Palliative Care Month.

At Present for You, we believe that how we die is part of how we live.

"Because of our partnership with Present for You, Goodwin Hospice is now the only hospice in Northern Virginia offering end-of-life doula services at no cost to families," said Beth Klint, Executive Director of Goodwin Hospice. "Doulas bring practical wisdom about the dying process and a calming, non-judgmental presence that our patients want and need. This is what comprehensive hospice care looks like—meeting people where they are, not just with excellent clinical care, but with every source of comfort and support we can offer."

End-of-life doulas are non-medical professionals who specialize in providing companionship and support to individuals and their families during the final stages of life. They offer emotional, spiritual and practical care to create a peaceful and comforting environment for patients and families. Thanks to the generosity of donors to the Goodwin Living Foundation, Goodwin Hospice is able to offer Present for You end-of-life doula support to its patients at no cost.

"This collaboration has been transformational for everyone involved," said Jane Euler, Co-Founder and Chief Doula of Present for You. "Our doulas help ensure that every patient is seen, heard, and valued as a whole person, not just for their medical needs, but for their story,

relationships and humanity. We're honored to walk alongside Goodwin Hospice in this shared vision of holistic, compassionate care at life's end."
