

Cornices by Wei Jingye and Fan Anran Wins Silver in A' Furniture Design Awards

Innovative Furniture Design Combining Traditional Chinese Elements with Modern Aesthetics Recognized by Prestigious International Jury

COMO, CO, ITALY, November 5, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected and well-recognized accolade in the field of [furniture](#) design, has announced [Wei Jingye and Fan Anran](#)'s exceptional work, "Cornices," as the Silver Award winner in the Furniture Design category. This prestigious recognition highlights the significance of the Cornices design within the furniture industry, positioning it as a remarkable example of innovative design that seamlessly integrates traditional Chinese elements with modern aesthetics.

The Cornices design holds immense relevance for the furniture industry and potential customers, as it successfully combines the rich cultural heritage of ancient Chinese architecture with contemporary design principles. By incorporating the distinctive cornice elements found in traditional Chinese structures, Wei Jingye and Fan Anran have created a furniture collection that not only aligns with current trends but also advances industry standards through its unique fusion of old and new.

What sets the Cornices design apart is its masterful integration of North American black walnut, traditional mortise and tenon joint structures, and the graceful curves inspired by Chinese architectural cornices. The furniture collection, which includes chairs, cabinet shelves, flower stands, and palace lamps, showcases a harmonious interplay between the dark wood and the soft, flowing lines of the cornices. This visual and structural echo creates a striking contrast while

maintaining a sense of balance and elegance.

Winning the Silver A' Furniture Design Award serves as a powerful motivation for Wei Jingye and Fan Anran to continue pushing the boundaries of design innovation. This recognition not only validates their creative vision but also inspires them to further explore the rich possibilities that arise from combining traditional elements with modern sensibilities. The Cornices design stands as a testament to their commitment to crafting furniture that is both functionally superior and aesthetically captivating.

Cornices was designed by a talented team consisting of Wei Jingye, Fan Anran, Yu Xiaowei, Gu Mingtian, and Hu Nanxi. Each member contributed their unique expertise to bring this remarkable furniture collection to life.
