Leading with Precision, Purpose, and Compassion

Dr. Patibandla's cover story details his multi-continental training across advanced neurosurgical subspecialties—including skull-base and epilepsy surgery, paediatric neurosurgery, minimally

Dr. Mohana Rao Patibandla featured on the cover of Time Iconic Magazine, honored among the Top 10 Inspiring Neurosurgeons 2025 for redefining neurosurgical excellence and compassionate care.

invasive spine surgery, neuro-oncology, stereotactic radiosurgery, and endovascular techniques. His decades of experience and leadership have set a benchmark for excellence in both complex neurosurgical procedures and compassionate, patient-focused practice.

“When a patient walks into our facility, I see not just a case but a human life entrusted to our hands. Our responsibility is technical precision and empathy.”

— Dr. Mohana Rao Patibandla

Dr. Rao’s Hospital, located in Guntur, is among the first independent, state-of-the-art brain, spine, and nerve care centres in Andhra Pradesh. Equipped with cutting-edge technology and backed by an expert multidisciplinary team, the hospital exemplifies a perfect balance between medical innovation and human touch.

“We welcome interviews and collaborations to expand access to minimally-invasive neurosurgery and bring advanced care to more communities,”

— Dr. Mohana Rao Patibandla

A Global Standard for Neurosurgical Excellence

Being featured as a Time Iconic cover personality underscores the international recognition Dr. Patibandla has earned through his remarkable career. His work continues to inspire a new generation of neurosurgeons across India and abroad.

The feature highlights:

Pioneering use of Minimally Invasive Neurosurgery in complex brain and spine cases

Breakthrough presentations on intraoperative neurophysiological monitoring (IONM) and endoscopic transnasal odontoidectomy at national conferences

Commitment to training, mentorship, and research collaboration with global neurosurgical experts

This recognition firmly establishes Dr. Mohana Rao Patibandla as one of the most influential neurosurgeons in India, dedicated to making world-class neurosurgical care accessible to all.

About Dr. Rao's Hospital

Dr. Rao's Hospital, located at 12-19-67, Old Bank Road, Kothapet (Opposite Sravani Hospital), Guntur, Andhra Pradesh, offers comprehensive neurology, neurosurgery, and spine-surgery services. The hospital combines advanced technology with compassionate, patient-centric care and stands as a premier destination for minimally invasive neurosurgery in South India.
