"Wood's Cleaning Services have looked after window cleaning and maintenance of my mum's house for years. They have always been utterly reliable, kind & helpful - even in tackling really grim jobs, like clearing buckets of mud & moss from gutters & cleaning soffits & fascias to look like new. I'm thrilled at today's transformation - thank you indeed!"

"Nick had previously cleaned all of my external upvc to my house. I've just had him and his son Jordan back to clean the external garage/outhouse which I left last time....what a transformation! It was badly covered in green algae, black spots etc, and it is now absolutely sparkling. It looks like new. I also use Nick for my window cleaning including deluxe windows, always cleaned to a high standard.
