

Joy in Motion: LATLC & OCTLC's 8th Annual Great Tryke Giveaway Brings Smiles & Wheels to Kids with Special Needs

A Day of Joy, Motion & Community as LATLC and OCTLC Gift Custom Trykes and Big Smiles to 20 Local Kids with Special Needs

LONG BEACH, CA, UNITED STATES, November 5, 2025 /EINPresswire.com/ -- The parking lot will come alive with laughter, cheers, and the gentle whir of pedals as the Los Angeles Trial Lawyers' Charities (LATLC) and the Orange County Trial Lawyers' Charities (OCTLC) host their 8th Annual Great Tryke Giveaway, gifting adaptive tricycles to 20 local children with special needs.

For each young rider, the day promises a series of firsts — first turns, first races, first rides of pure freedom. Families and volunteers will gather to celebrate as the kids proudly show off their new trikes, customized to match their energy, personality, and spirit. In addition, LATLC and OCTLC volunteers will assemble 1,000 toiletry kits for U.S. Vets, supporting outreach programs across LA and OC Counties.

From colorful streamers and shiny helmets to a joyful "ride parade," the event embodies what childhood is all about: motion, confidence, and connection.

"These trikes open the world in a special way," says Megan Klein, LATLC's 2025 President. "Watching these kids take off with huge smiles reminds us that joy is found in moments of movement, laughter, and community. This event is truly one of the happiest days of the year for everyone involved."

Michelle West, OCTLC's 2025 President, adds, "What makes this day so meaningful isn't just the trykes — it's the incredible teamwork of volunteers, fellow attorneys and legal staff, and families coming together. Seeing everyone pitch in for the purpose of creating smiles, joys, and

memories reminds us of the power of community and how much we can accomplish when we work together and give back.”

Each tricycle will be specially fitted to its new rider by Ambucs, ensuring comfort and safety for every child. While LATLC plans to provide around 20 tricycles this year — fewer than in previous years — the spirit of the day remains the same: full of heart, celebration, and the pure joy of a good ride.

Able ARTS Work will also be part of the celebration this year, bringing their creative spirit to the event with a button-making table for guests to enjoy. Their interactive art station adds another layer of fun and inclusion to the day — a reminder that community and creativity go hand in hand.
