

# Tenba Launches New Roadie v2 Collection of 4-Wheel and 2-Wheel Rolling Camera Cases

*The first-ever rolling camera cases with removable backpack straps, plus the smoothest and most stable spinner wheels available.*

WHITE PLAINS, NY, UNITED STATES, November 5, 2025 /EINPresswire.com/ -- The Tenba design team spent years developing and refining the latest [Roadie v2 Collection](#) with input from imagemakers around the world. These are the first-ever rolling camera cases compatible with optional backpack straps, allowing the Roadie Spinners to be carried comfortably over sand, mud, and rough terrain. The straps can also be completely removed and stored away (or left at home) when not needed. ☐☐

Features include custom-designed (and patent pending) WideTrak spinner wheels for a quiet and smooth rolling experience, rigid protection on all sides, a hidden pocket for an AirTag, and an Add-a-Bag strap to hold anything from a reflector to an apple box. There's even an optional Luggage Liner that converts the Roadie Spinner into vacation/travel mode.
