

DogWatch of Central Connecticut Honored as Best Underground Fence Company of 2025

*Celebrating 30 Years of Pet Safety:
Advanced Hidden Fence Technology and
Exceptional Service Earns Coveted
Industry Recognition.*

SOUTHINGTON, CT, UNITED STATES,
November 5, 2025 /EINPresswire.com/
-- DogWatch of Central Connecticut has
been named the [Best Underground
Fence Company of 2025](#) by [Click360
Awards](#). This prestigious recognition
highlights the company's excellence in
providing innovative pet containment
solutions and exceptional customer
service throughout the region.

The award is part of Click360's 2025
High Five Awards, a program that
celebrates businesses that
demonstrate outstanding leadership
and quality in their respective
industries. DogWatch of Central
Connecticut was selected for its
unwavering commitment to pet safety,
its use of advanced hidden fence
technology, and its consistent delivery
of positive customer experiences. The
company is known for providing
reliable and user-friendly systems that
give pet owners peace of mind.

This recognition is especially meaningful as it is announced during National Women's Small Business Month, celebrating the achievements of women entrepreneurs. As a woman-owned

business, DogWatch of Central Connecticut exemplifies the dedication and innovation that drives local economies.

"We are incredibly proud to receive this award," said Sue Marks, owner of DogWatch of Central Connecticut. "Our team works hard every day to ensure the safety and happiness of our clients' beloved pets. This honor from Click360 Awards is a wonderful validation of our commitment to quality and service, and it's particularly special to be recognized during a month that champions women in business."

For over 30 years, DogWatch of Central Connecticut has been a trusted local provider of hidden dog fences, indoor pet boundaries, and training products. Their focus on combining state-of-the-art technology with personalized pet training has established them as a leader in the pet containment industry.
