

Wulin Star by ZPDI Design Team Wins Silver in A' Interior Design Awards

*ZPDI Design Team's Wulin Star
Recognized for Excellence in Interior
Design by Prestigious A' Design Awards*

COMO, CO, ITALY, November 6, 2025 /EINPresswire.com/ -- The highly respected A' Design Award has announced Wulin Star, a remarkable exhibition hall designed by [ZPDI Design Team](#), as the Silver winner in the [Interior](#) Space and Exhibition Design category. This prestigious recognition underscores the exceptional design prowess and innovation demonstrated by ZPDI Design Team in the competitive field of interior design.

Wulin Star's Silver A' Design Award serves as a testament to its relevance and impact within the interior design industry. The design's innovative use of space, sustainable practices, and seamless integration of historical elements with modern functionality align with current trends and needs, setting a new standard for the adaptive reuse of industrial heritage sites.

Wulin Star showcases a masterful blend of old and new, preserving the original spatial appearance and details of the historical factory building while incorporating cutting-edge industrial style devices. The design team's meticulous approach to reorganizing intricate pipelines, customized mechanical devices, and the building's unique spatial characteristics has transformed the idle space into a dynamic, storytelling medium that celebrates the intersection of history and the future.

This well-deserved recognition from the A' [Design Awards](#) is expected to inspire ZPDI Design Team to continue pushing the boundaries of interior design, fostering further innovation and
