-- [CEO Financial Services](#), provider of

outsourced services to solve business challenges, is proud to announce that its CEO, Carol O'Neil, will share her expertise on strategic financial leadership at [The Founders Summit 2025](#) in South Florida. Carol will join a C-Level panel on November 7th to show high-growth founders how to transform their business finances from a costly operational hurdle into a powerful, scalable tool.

“

Our mission is simple: Offload the entire financial-operational burden. This frees founders to dedicate 100% of their focus on sales, product, and the grand vision they set out to build.”

optimization.

“Founders often leave millions on the table simply because their financial infrastructure is focused on survival, not scale. My goal is to stop the operational bleed—the wasted time on compliance, the missed tax opportunities, the unpredictable cash flow—so that businesses can dedicate 100% of their energy to building up their business. At the Summit, we'll dive into the systems that truly fuel strategic growth,” said Carol O'Neil, Founder of CEO Financial Services.
