

Blue Goat Cyber Named Gold Sponsor at MedTech World Malta 2025, Advancing FDA and EU MDR Cybersecurity Alignment

Blue Goat Cyber joins MedTech World Malta 2025 as Gold Sponsor, highlighting FDA & EU MDR cybersecurity compliance in MedTech.

VALLETTA, MALTA, November 7, 2025 /EINPresswire.com/ -- Blue Goat Cyber, a U.S.-based leader

We're honored that Blue Goat Cyber is nominated for the MedTech Service Provider Excellence Award as we help manufacturers meet FDA and EU MDR cybersecurity standards."

Christian Espinosa, Blue Goat Cyber Founder and CEO

in medical device cybersecurity and global regulatory compliance, is proud to announce its role as a Gold Sponsor of MedTech World Malta 2025, taking place from November 12 to 14, 2025, at the Mediterranean Conference Centre in Valletta, Malta.

Blue Goat Cyber will exhibit at Booth G005, showcasing comprehensive cybersecurity and compliance services that help medical device manufacturers meet the evolving expectations of the FDA and the EU MDR for patient safety, resilience, and secure innovation.

Driving Global Cybersecurity Compliance for Medical Devices

Blue Goat Cyber partners with manufacturers worldwide to align cybersecurity risk management with regulatory frameworks, including the FDA's 2025 Cybersecurity in Medical Devices Guidance, Section 524B of the FD&C Act, and the EU MDR/IVDR requirements for secure-by-design devices.

The company integrates ISO 14971, IEC 81001-5-1, and the Secure Product Development Framework (SPDF) to provide full-lifecycle support—from design control through postmarket surveillance.

"Cybersecurity is now inseparable from patient safety," said Christian Espinosa, CEO and Founder of Blue Goat Cyber. "By bridging FDA and EU MDR requirements, we're helping manufacturers innovate confidently while meeting regulators' growing expectations."
