

Camillia by Line 2 Pixels Studio Sdn. Bhd. Wins Silver in A' Interior Design Awards

*Contemporary Malaysian Residence
Honored for Exceptional Biophilic Design
and Craftsmanship*

COMO, CO, ITALY, November 7, 2025 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected recognition in the field of [interior](#) design, has announced Camillia by [Line 2 Pixels Studio Sdn. Bhd.](#) as a Silver Award winner in the Interior Space and Exhibition Design category. This prestigious accolade celebrates the exceptional design and innovation demonstrated in the contemporary Malaysian residence, which seamlessly blends modern principles with romantic charm and a strong connection to nature.

Camillia

The Silver A' Interior Space, Retail and Exhibition Design Award holds significant relevance for the interior design industry and its stakeholders. By recognizing projects like Camillia that exemplify outstanding biophilic design, craftsmanship, and functionality, the award sets a benchmark for excellence and inspires professionals to push the boundaries of creativity and innovation. This, in turn, benefits clients and end-users who can experience enhanced well-being and harmony in their living spaces.

Camillia stands out for its successful integration of prairie-style architecture with modern biophilic design principles. The expansive living space features custom-crafted furniture and curated materials that evoke grace and power, while soft curves, harmonious proportions, and rich textures create a warm and inviting atmosphere. The design emphasizes a seamless connection with nature, bringing in abundant natural light and incorporating organic materials to enhance the living experience.

The recognition bestowed upon Camillia by the A' Design Award serves as a testament to Line 2 Pixels Studio Sdn. Bhd.'s commitment to excellence and innovation in interior design. This achievement is expected to inspire the studio's future projects, driving them to continue exploring new frontiers in biophilic design and craftsmanship while maintaining their focus on creating meaningful, user-centric spaces that promote well-being and harmony with nature.
