Grand Jury Panel & Evaluation Process

Entries were evaluated by a distinguished international jury through a blind judging process, ensuring impartiality and merit-based recognition. Jury members included: Alexandre Collares (Ogilvy Australia), Ram Nikhil Dodda (Amazon), Yafei Zhang (Kohn Pedersen Fox; Kean University), Joon Kwon (LR Seoul), Vasil Velchev (Ideal Standard International NV), and Jeremy Smith (Irving Smith Architects), whose insights helped set the season's standard of excellence.

"The achievements of our winners highlight how design today goes beyond form, addressing sustainability, usability, and cultural relevance," said Thomas Brandt, spokesperson of IAA. "Their work embodies ingenuity and impact, setting benchmarks that reflect where the industry is headed and inspiring the next generation of designers worldwide."

2026 NY Design Awards: Call for Entries

The 2026 NY Product Design Awards and NY Architectural Design Awards are now open for entries, inviting designers, brands, and studios worldwide to showcase exceptional work in product and architectural design. Early Bird submissions close on December 17, 2025, with the Final Extension deadline on March 18, 2026. Winners will be announced on May 15, 2026, highlighting the most impactful and exemplary works that set the standard for design today.

About NY Product Design Awards

The NY Product Design Awards honors outstanding product designs that improve everyday living through innovation, functionality, and aesthetics. The program provides a global platform for designers, brands, and studios whose work sets new standards in creativity, usability, and

impact.

About NY Architectural Design Awards

The NY Architectural Design Awards celebrates architectural and interior design excellence that shapes how we live, work, and connect. From innovative spaces to enduring structures, the program recognizes projects that push boundaries and enrich the built environment through purposeful, human-centered design.

About International Awards Associate (IAA)

Established in 2015, the International Awards Associate (IAA) is a global organization dedicated to recognizing professional excellence and outstanding achievements across multiple industries. As the organizer of prestigious award programs such as the MUSE Creative Awards, MUSE Design Awards, Vega Digital Awards, NYX Awards, NYX Game Awards, TITAN Business Awards, TITAN Innovation Awards, London Design Awards, NY Product Design Awards, French Design Awards, Noble Business Awards, and many more, IAA aims to honor, promote, and encourage excellence worldwide through industry-appropriate recognition platforms.
