

SunGoldPower partners with EVONOMY Group for energy system design & sales operations in the United States

DETROIT, MI, UNITED STATES,
November 11, 2025 /

EINPresswire.com/ -- [SunGoldPower](#) — a leading manufacturer of solar panels, power electronics, and energy storage solutions, and [EVONOMY Group](#) — a leader in Technical and Commercial services for Electrification, Autonomous Technologies, Connectivity, and Software, announced a partnership to mutually expand their energy system design & sales operations. With this partnership, EVONOMY Group's Ecosystem expands to include the complete SunGoldPower portfolio for supporting residential, commercial, industrial, and utility-grade design projects. EVONOMY Group will also serve as SunGoldPower's official Tier-1 sales partner in the United States.

SCALING SOLAR

"SunGoldPower is excited to partner with EVONOMY Group which is an industry leader in supporting clients with designing efficient and cost-effective solar solutions," said Crystal Feng, Marketing Manager at SunGoldPower. "This partnership will help scale the solar industry as a whole and create significant exposure for our portfolio which includes n-type and p-type monocrystalline and bifacial solar panels, solar charge controllers, inverter chargers, solar inverters, All-In-One (AIO) combination units, UL1973 & UL9540A LFP-based energy storage solutions, and interconnects."

"EVONOMY Group is excited to welcome SunGoldPower's solutions into our Ecosystem and serve as their official Tier-1 sales partner in the United States," said Anthony R. Giesey, SVP and Head of Brands at EVONOMY Group. "This partnership will further diversify the options we can bring to our clients while streamlining the ordering and fulfillment process."
