

Swift Screening Solutions Launches Fast, Reliable, and Affordable Background Checks

Swift Screening Solutions announces their official launch, offering affordable background checks and employment screening services for all businesses.

KANSAS CITY, MO, UNITED STATES, November 11, 2025 /EINPresswire.com/ -- Swift Screening Solutions, a family-owned business, proudly announces their official launch, offering affordable and reliable background checks and pre-employment screening services for businesses and organizations across all industries.

“

At Swift Screenings, we believe in doing things right the first time. We take pride in truly understanding every client's needs with just a call or email away.”

Sarah Wolters, President and CEO.

In today's competitive hiring environment, Swift Screening Solutions helps employers streamline the onboarding process by delivering accurate and timely pre-employee screening results. The company was created to challenge the industry standard of slow, generalized, and often

overpriced services. This is accomplished by offering personalized solutions designed for each client's unique needs.

While the family may be new to the industry, they have recently invested in an employment screening platform that brings over 25 years of experience to ensure clients confidently receive exactly what they need. Their fulfillment platform has demonstrated its trustworthiness, reliability, and effectiveness nationwide for more than two decades.

“At Swift Screenings, we believe in doing things right the first time,” said Sarah Wolters, President and CEO. “We take pride in truly understanding every client's needs and being just a call or email away. That personal connection is what defines us as a family-owned business.”

A Family-Driven Mission

Founded on the principles of integrity, accessibility, and family values, Swift Screening Solutions represents more than just a business venture. It's a commitment to creating a people-first enterprise that values work-life balance and community impact.

As part of its mission to give back, the company has pledged annual charitable support to organizations making a difference — starting with becoming an annual sponsor for Cabins4Kids.
