

# Code UA by Linkup Studio Wins Silver in A' Website and Web Design Awards

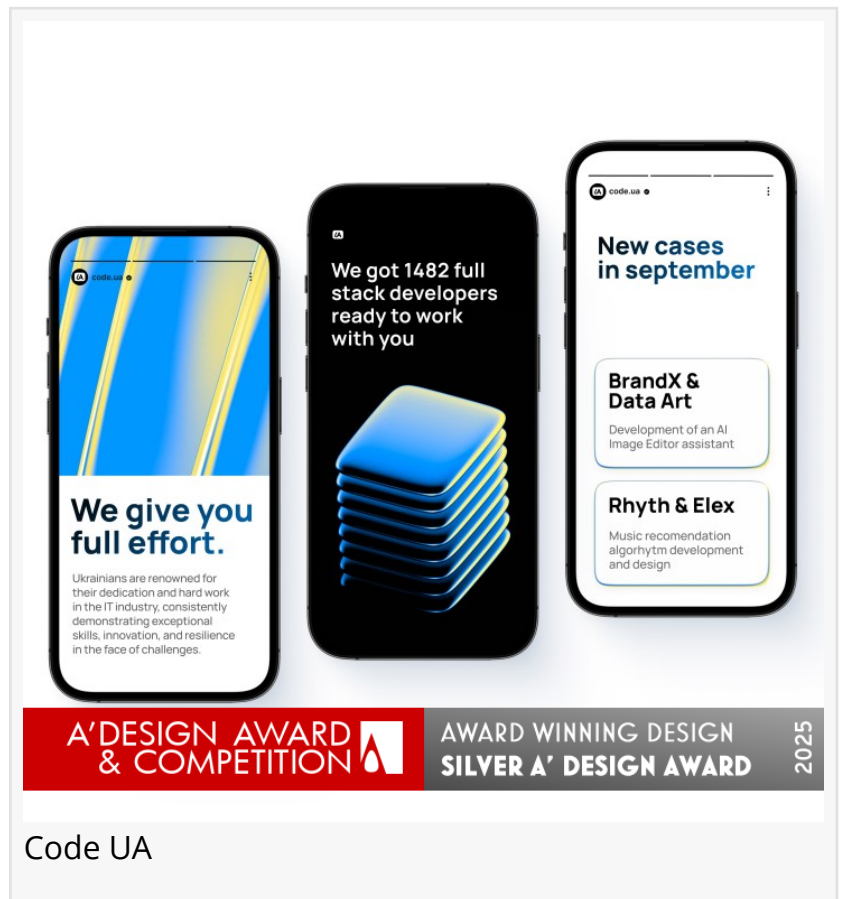

*Linkup Studio's Innovative Web Platform Honored for Connecting Global Businesses with Ukrainian Tech Solutions*

COMO, CO, ITALY, November 10, 2025 /EINPresswire.com/ -- [Linkup Studio](#) has been announced as a winner of the highly respected A' Website and [Web Design Awards](#), with their work "Code UA" receiving the prestigious Silver A' [Design Award](#). The A' Website and Web Design Awards is a highly prestigious award in the field of web design, recognizing outstanding achievements in digital innovation and user experience.

The Silver A' Design Award for "Code UA" underscores the platform's relevance to current trends and needs within the Web industry. By facilitating seamless collaboration between international businesses and Ukrainian technology firms, "Code UA" aligns with the growing demand for global partnerships and cross-border innovation in the digital sphere. This recognition highlights the practical benefits of the platform for users, the industry, and other stakeholders, emphasizing its utility and forward-thinking design.

"Code UA" stands out for its clean, intuitive interface that enables smooth interaction between global clients and Ukrainian tech providers. The platform's user-friendly design makes it easy for businesses to explore and access a wide range of digital solutions, fostering cross-border partnerships and advancing global tech integration. With advanced animations, responsive grid systems, and adherence to modern web standards, "Code UA" delivers an engaging and efficient user experience across devices.

This prestigious recognition from the A' Website and Web Design Awards serves as a motivator

for Linkup Studio to continue pushing the boundaries of web design and development. The award validates the team's commitment to creating impactful digital experiences that not only meet user needs but also drive business success. As "Code UA" gains international exposure, it has the potential to inspire further innovation and collaboration within the global tech community.

Code UA was designed by a talented team at Linkup Studio, including Design Director Nataliya Sambir, Lead Designer Sophiya Korynets, and UI/UX Designers Daria Ebadian and Yaryna Oprysk. Their collective expertise and dedication to crafting an exceptional web platform contributed to the project's success and recognition.

The award criteria encompass user interface design, content relevance, visual aesthetics, mobile responsiveness, navigation efficiency, loading speed, color scheme consistency, typography excellence, interactive elements, innovative layout, accessibility standards, cross-browser compatibility, SEO optimization, social media integration, security measures, user experience design, information architecture, multimedia integration, branding consistency, and effective use of white space.

#### About A' Design Award

The A' Website and Web Design Awards is a prestigious international design competition that recognizes outstanding achievements in web design and development. Organized annually since 2008, the awards attract a wide range of participants, including visionary web designers, creative agencies, forward-thinking companies, and influential brands. The competition is judged by a panel of design professionals, web industry experts, journalists, and academics who conduct blind peer reviews based on pre-established evaluation criteria. By participating in the A' Design Awards, entrants gain global recognition, exposure, and validation for their remarkable web design capabilities. Ultimately, the A' Design Awards aim to promote superior products and projects that advance and benefit society, contributing to the creation of a better world through

the power of good design.
