Department of Labor has awarded Systems Planning & Analysis (SPA) its Gold Medallion for exemplary efforts in recruiting, employing, and retaining our nation's veterans.

The Honoring Investments in Recruiting and Employing American Military Veterans (HIRE Vets) Medallion Program is the only federal award recognizing exceptional achievement in veteran employment. The award is based on rigorous criteria that companies must meet annually for consideration. SPA has achieved HIRE Vets recognition for eight years in a row, starting from the program's inception in 2018.

SPA CEO Rich Sawchak

SPA CEO Rich Sawchak commented, "SPA is continually committed to hiring veterans because they bring a distinct perspective earned through training and a life of service. Our vets are essential to SPA's culture of teamwork, trust and integrity, national service, and excellence in execution."
