WESTPORT, CT, UNITED STATES, November 10, 2025 /EINPresswire.com/ -- LCR Capital Partners, a leading [EB-5](#) regional center and fund manager, is proud to announce the groundbreaking of the [All Points North](#) (APN) Lodge expansion, marking the start of Phase II of the project's development. This milestone represents the continued partnership between LCR Capital Partners and EB-5 Coast to Coast to expand one of the United States' premier behavioral health and addiction treatment facilities.

The groundbreaking ceremony, held on September 24, 2025, kicked off construction with work on the facility's future parking lot, with major development on the main lodge scheduled to begin in Q1 2026. Once complete, the new 100,000-square-foot, 84-bed expansion will more than double the Lodge's capacity.

All Points North has long been a beacon of hope for individuals battling behavioral health challenges, offering pathways to recovery and wellness. The expansion represents the next step in the organization's mission to broaden its reach and impact while ensuring long-term growth and sustainability.

Sherman Baldwin, CEO of LCR Capital Partners, commented: "The groundbreaking of All Points North represents more than the start of construction—it symbolizes growth, impact and the continuation of a mission to bring healing and opportunity to those in need. LCR is honored to play a part in supporting a project that directly addresses one of the most pressing health

challenges in the country.”

LCR Capital Partners serves as co-manager of the EB-5 fund alongside EB-5 Coast to Coast, ensuring responsible fund administration and investor protection throughout the project’s development. As a USCIS-approved rural EB-5 project with expedited status for being in the US national interest, investors benefit from priority processing and strong immigration outcomes.

Suresh Rajan, Executive Chairman and Founder of LCR Capital Partners, added: “The success of All Points North is a reflection of our commitment to pairing meaningful social impact with sound investment strategy. This project brings hope to families and

communities while giving investors a trusted, compliant opportunity to achieve their US residency goals. We look forward to seeing the continued success of this world-class facility.”

The expansion underscores LCR’s commitment to offering EB-5 investors access to impactful, well-managed projects that create jobs and contribute to key sectors of the American economy.
