

Bannock County, ID Selects DebtBook to Modernize Accounting Workflows

CHARLOTTE, NC, UNITED STATES,
November 11, 2025 /

EINPresswire.com/ -- DebtBook, a leading provider of software for government and nonprofit treasury and accounting teams, today announced that Bannock County,

Idaho has adopted its Lease Management and Subscription Management solutions to streamline compliance and improve the accuracy of financial reporting under GASB 87 and GASB 96.

With new accounting responsibilities falling directly to the Comptroller's office, Bannock County sought a purpose-built system that could simplify the process of tracking leases and subscription-based IT arrangements. DebtBook's centralized platform will reduce manual work and ensure consistent compliance, even as reporting requirements evolve.

"We needed a reliable solution that would allow us to take ownership of our lease and subscription management process without adding a major manual burden," said Kristi Klauser, Comptroller at Bannock County. "DebtBook gives us the structure, automation, and confidence we need to maintain accurate reporting going forward."

"We're excited to partner with Bannock County as they move into a more modern approach to lease and subscription management," said Tyler Traudt, CEO and Co-Founder of DebtBook. "With DebtBook, they'll be able to confidently manage compliance in-house, ensuring accuracy and consistency across reporting requirements."
