

B2i Digital Partners with ROTH Capital for 14th Annual Technology Conference

The ROTH Technology Conference, a B2i Digital Featured Conference, will be showcased to B2i Digital's community of more than 1.4 million investors

NEW YORK, NY, UNITED STATES,
November 10, 2025 /

EINPresswire.com/ -- [B2i Digital, Inc.](#), a leading investor-engagement firm leveraging both conferences and digital marketing, today announced its role as Marketing Partner for the [14th Annual ROTH Technology Conference](#), scheduled for November 18-19, 2025, at the Hard Rock Hotel in New York City.

Premier Technology Investment Forum to Connect
100+ Companies with Institutional Investors
November 18-19 in New York

[The invitation-only conference](#) will bring together C-level executives from approximately 100 public and private technology companies with institutional investors, providing structured opportunities for meaningful dialogue about innovation, growth strategies, and investment opportunities across the technology, media, and internet sectors.

“

We're honored to partner with ROTH Capital to amplify the reach of these companies and facilitate connections that fuel growth and opportunity.”

David Shapiro, CEO of B2i Digital, Inc.

“The technology sector continues to drive transformational change across every industry, and this conference provides an unparalleled forum for companies at the forefront of this revolution to connect with sophisticated investors,” said David Shapiro, CEO of B2i Digital. “We're honored to partner with ROTH Capital to amplify the reach of these companies and facilitate connections that fuel growth and opportunity.”

The two-day event will feature 25-minute one-on-one and small-group meetings between company management teams and institutional investors, enabling deep-dive discussions on business models, growth trajectories, and strategic initiatives.

The agenda also includes a fireside chat on “The Rapidly Changing Crypto Landscape and Adoption by Broader Capital Markets” with Anthony Pompliano, and a panel discussion on “The Infrastructure Arms Race: Capacity as the Backbone of AI Data Centers.”

As Marketing Partner, B2i Digital will leverage its network of more than 1.4 million investors, a high-traffic website, and a curated investor email list exceeding 100,000 to enhance visibility for presenting companies.

B2i Digital’s collaboration with the ROTH Technology Conference reflects its mission to connect growth-oriented companies with targeted investors through advanced digital marketing and in-person investor engagement.
