

FREESTYLE DIGITAL MEDIA RELEASES INDIE DRAMA "STATIONED AT HOME"

Acclaimed Independent Film Sets Digital Debut on North American VOD Platforms and DVD on November 11, 2025

LOS ANGELES, CA, UNITED STATES, November 11, 2025 /EINPresswire.com/ -- Freestyle Digital Media, the digital film distribution division of Byron Allen's Allen Media Group, proudly

“

STATIONED AT HOME is made in the spirit of 70s and 80s independent films. It is a personal and unique embrace of creative freedom, resulting in a truly uplifting, one-of-a-kind cinematic experience.”

Filmmaker Daniel V. Masciari

announces the release of the indie drama STATIONED AT HOME, which is now available to rent/own on North American digital HD internet, cable, and satellite platforms, as well as DVD, on November 11, 2025.

STATIONED AT HOME tells the story of a solitary taxi driver on the graveyard shift who, on a clear and frigid Christmas Eve in 1998 in a small, forgotten city, breathlessly awaits the sight of the International Space Station. As the hours count down, a parade of offbeat misfits derail his plans, propelling the story to its exhilarating climax. In this poetic, hilarious and often absurd tale, complete strangers

discover unexpected unity and a newfound understanding of their place among the stars.

Written and directed by Daniel V. Masciari, STATIONED AT HOME was produced by Bethany Hedges, Eliza VanCort and Matt Fleck. Featured actors include Erik Bjarnar (Ralph), Darryle Johnson (Harry), Eliza VanCort (Elaine), Jamie Donnelly (Robin), Peter Foster Morris (George), Jeff DuMont (Jack) and Alek Osinski (Joe, The Cop).

“STATIONED AT HOME is made in the spirit of 70s and 80s independent films, with a raw and unfiltered approach that captures the essence of storytelling without compromise,” said filmmaker Daniel V. Masciari. “It is a personal and unique embrace of creative freedom, resulting in a truly uplifting, one-of-a-kind cinematic experience.”

Freestyle Digital Media negotiated a deal to acquire STATIONED AT HOME directly with the filmmakers.
