We are thrilled to announce our exclusive new Holiday Packages, designed to transform your stay in Cabo vacation villas from a simple trip into a seamlessly curated, full-service experience. Beyond the Villa: Redefining the Luxury Holiday Experience.

For the discerning traveler, the concept of a villa rental has often been associated with a trade-off: immense privacy and space for the hassle of coordination. Who will cook the meals? How do we arrange a private yacht charter? Where can we find a trusted chef for our Christmas Eve dinner? These questions can dampen the excitement of planning a holiday.

Cabo Platinum was founded to eliminate this trade-off entirely. We believe that you should have both: the absolute freedom of a private villa and the effortless luxury of a world-class resort. Our

### Introducing the Cabo Platinum Holiday Packages

Each package is designed to cater to different desires, whether it's gourmet indulgence, oceanic adventure, or pure, unadulterated relaxation. Your personal concierge will work with you before arrival to tailor every element to your group's specific preferences.

As an example, we'll provide a couple of the package offerings here:

#### Package 1: The Epicurean Retreat

The holidays are a time for feasting and celebration. The Epicurean Retreat package is designed for those who believe the heart of any gathering is extraordinary food and wine, shared in the company of loved ones.

#### What's Included & Customized:

- \* Private Chef Service: Your vacation begins the moment you decide on your menu. Our concierge will connect you with a curated selection of world-class private chefs specializing in everything from traditional Mexican feasts and fresh Baja-Mediterranean cuisine to international gourmet standards. They will handle everything from grocery shopping to preparation, service, and clean-up.
- \* Sommelier-Curated Wine Cellar: Prior to your arrival, your concierge will work with a local sommelier to stock your villa's wine cellar with a selection of premium Mexican wines from the

Valle de Guadalupe, alongside international favorites, perfectly paired with your planned menus.

\* In-Villa Mixology Experience: Elevate your cocktail hour. A master mixologist will come to your villa for a private session, crafting signature cocktails using local ingredients like Damiana, mezcal, and fresh tropical fruits, teaching your group the art of the perfect drink.

\* Private Gourmet Market Tour: For the true food enthusiast, we arrange a guided tour of San José del Cabo's organic market or a local fish market, followed by a cooking demonstration back at your villa.

## Package 2: The Azure Ocean Voyager

Los Cabos is defined by the meeting of the desert and the deep blue Sea of Cortez. The Azure Ocean Voyager package is for groups drawn to the water, offering unparalleled access to the marine wonders of the region.

### What's Included & Customized:

\* Private Yacht Charter: The centerpiece of your holiday. We will arrange a full or half-day charter on a pristine yacht, tailored to your desires. Spend the day cruising the iconic Cabo Arch, snorkeling in the rich waters of Santa Maria Bay, sportfishing for marlin (the "Marlin Capital of the World"), or simply relaxing on deck with champagne as you watch for whales (December through April).

\* Luxury Picnic on a Secluded Beach: Your crew will arrange a stunning gourmet picnic on a remote beach accessible only by boat, offering absolute privacy and a true castaway fantasy.

\* Sunset Catamaran Cruise with Live Music: Celebrate the end of the day with a private sunset cruise, complete with a live acoustic guitarist or saxophonist, creating a soundtrack for one of Cabo's legendary sunsets.

\* In-Villa Spa Services with Ocean Views: After a day at sea, continue the relaxation with a curated in-villa spa day. Our therapists will bring the spa to you, offering massages, facials, and wellness treatments in the comfort of your villa, often with the sound of the waves as your backdrop.

While our new packages provide a fantastic starting point, it is essential to understand that our signature concierge service is the bedrock of every Cabo Platinum experience, package or not. We cater to groups of all kinds—multi-generational families, couples traveling together, or celebratory groups of friends—and we understand that each has unique needs.

Your concierge team is dedicated to making the impossible, possible. Their services are always included and encompass:

\* Grocery & Liquor Pre-Stocking: We shop so you don't have to.

\* Restaurant Reservations: We have relationships with every top restaurant in Los Cabos.

\* Transportation Coordination: From luxury SUVs to private vans, we ensure seamless travel.

- \* Activity Planning: From ATV tours and zip-lining to private art gallery tours.
- \* Wellness & Spa Coordination: Arranging in-villa yoga, personal training, and all spa services.
- \* Special Requests: No request is too small or too large. Celebrating an anniversary? We'll arrange a private dinner on the beach. Traveling with children? We can organize a private pirate ship adventure or a nanny service.
