

Amwins Program Underwriters Expands Workers' Compensation Offerings with Launch of New AmeriComp Program

CHARLOTTE, NC, UNITED STATES,
November 12, 2025 /

EINPresswire.com/ -- Amwins Program Underwriters (APU), part of the Amwins Underwriting division, today

announced the launch of their new AmeriComp Workers' Compensation Program, a comprehensive underwriting solution designed to meet the evolving needs of today's employers across a broad spectrum of industries.

Backed by AM Best "A" rated carrier partner QBE, the AmeriComp program offers monoline workers' compensation coverage for most low-to-high hazard classes, expanding APU's appetite and enhancing its existing portfolio of successful programs, including [Recycling](#) and [Healthcare](#) workers' comp.

In addition to a broad industry appetite, the program also touts features like flexible billing options, tailored loss-control services and various employer liability limits that help agents deliver meaningful and competitive coverage to their clients.

"This represents an exciting evolution for AmeriComp's product line, complementing their existing market-access solution with a new, true underwriting program backed by QBE," said Jon Beckham, president at Amwins Program Underwriters. "This next step showcases our deep underwriting expertise, trusted carrier partnerships and unwavering commitment to delivering innovative, high-performing solutions that help our clients win in a competitive marketplace."

AmeriComp's new program brings together APU's underwriting expertise, QBE's carrier strength and a focus on efficient risk management to help retail agents deliver meaningful coverage and competitive options for their insureds while continuing Amwins' legacy of specialization, partnership and innovation in the workers' compensation space.
