Author [Dale Arenson](#)

Acclaimed author and former airline Captain Dale Arenson unveils his autobiographical series with *On Wings of Luck: From Outlaw Biker to Airline Pilot and Beyond*. This compelling memoir invites readers into a fearless personal journey—from the dangerous freedom of outlaw biker culture to the disciplined, high-stakes world of commercial aviation.

Arenson reflects on his outlaw life, where rebellion and survival defined daily life. Told with candor and grit, his story reveals the harsh realities of a path that tested his identity and limits. Yet, the narrative takes an extraordinary turn as Arenson chooses to walk away from the chaos and pursue an entirely different calling: becoming a professional airline pilot.

Through determination, resilience, and unwavering belief in his own potential, Arenson not only transforms his life but redefines it. His journey is a testament to the power of second chances and the courage required to break free from the past.

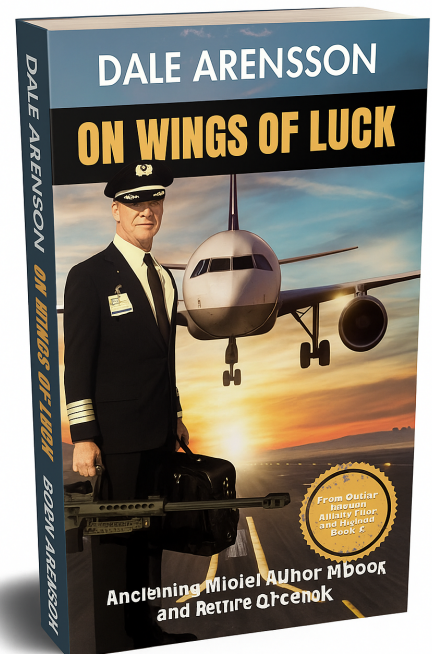

“

It is never too late to chase  
your dreams.”

Arenson leaves readers with an empowering message drawn from his lived experience:
