The [Microsoft Partner of the Year Awards](#) recognize Microsoft partners that have developed and delivered outstanding Microsoft Cloud applications, services, devices, and AI innovation during the past year. Awards were classified in various categories, with honorees chosen from more than 4,600 nominations across more than 100

countries. Invoke was recognized for providing outstanding solutions and services in Identity, globally.

Microsoft awards the Microsoft Identity Partner of the Year to recognize exceptional innovation and impact in identity and access management. This honor celebrates partners who deliver secure, scalable solutions using technologies such as Microsoft Entra, Verified ID, and Zero Trust

architecture, helping organizations protect identities, streamline access, and meet compliance requirements across hybrid and cloud environments, and AI agents.

“Congratulations to all the winners and finalists of the 2025 Microsoft Partner of the Year Awards,” said Nicole Dezen, Chief Partner Officer and Corporate Vice President at Microsoft. “This year, our partners harnessed the transformative power of Microsoft’s Cloud and AI platforms to deliver transformative solutions that redefine the boundaries of innovation. The energy and ingenuity across our ecosystem continue to inspire us. The 2025 honorees exemplify what’s possible when technology and vision unite to empower customers around the world.”

The 2025 Microsoft Partner of the Year Awards are announced ahead of Microsoft Ignite, which will be held in San Francisco from November 18-21.
