KOLKATA, WEST BENGAL, INDIA,
November 12, 2025 /

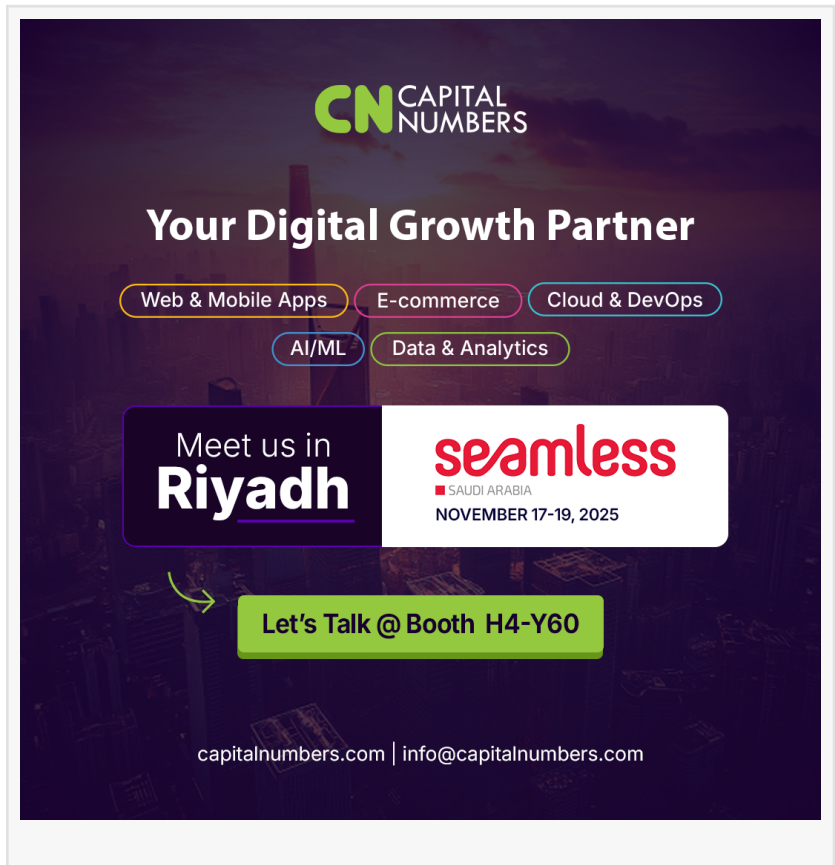

EINPresswire.com/ -- Capital Numbers Infotech Limited, a leading provider of digital engineering and custom software development, is excited to announce its participation in Seamless 2025, a premier event for digital commerce, fintech, payments, and retail innovation. The event will take place from November 17-19, 2025, at the Riyadh Front, Saudi Arabia.

With over 25,000 attendees, 600+ exhibitors, and 600+ expert speakers, including 43% C-level executives, Seamless 2025 provides the perfect platform for Capital Numbers to connect with key decision-makers, showcase its cutting-edge solutions, and explore strategic partnerships that drive digital transformation across industries.

At the event, Capital Numbers will demonstrate its expertise in [developing AI-integrated systems](#) and cloud solutions that empower businesses to enhance efficiency, scale rapidly, and foster growth. The company's tailored services enable enterprises to accelerate their digital journeys, modernize securely, and deliver intelligent, connected customer experiences that scale with confidence.

Capital Numbers at Seamless 2025 will feature:

- Fintech Solutions: Showcasing expertise in [financial software development](#), including banking system modernization, trading platforms, wealth management tools, and policy management systems to streamline operations and enhance security.

Our goal is to collaborate with banks, retailers, and enterprises to co-create solutions that enable them to move from strategy to execution securely and rapidly.”

Mukul Gupta, CEO

- Digital Commerce & Marketplaces: Real-world examples of how AI and cloud technologies improve customer journeys, optimize workflows, and drive growth in platform-led commerce.
- E-commerce Development: Expertise across platforms like Shopify, WooCommerce, Magento, Adobe Commerce, Drupal, and custom-built solutions to ensure scalable and seamless online presences.
- Enterprise Integrations: Custom solutions for Salesforce,

Power BI, ServiceNow, and Magento to accelerate digital transformation and improve business operations.
