

Happy Excursion by Shao Cheng and Tao Cheng Wins Silver in A' Interior Design Awards

Shao Cheng and Tao Cheng's Model House Design Recognized for Excellence in Interior Space and Exhibition Design Category

COMO, CO, ITALY, November 12, 2025 /EINPresswire.com/ -- The A' [Design Award](#), a highly prestigious recognition in the field of [interior](#) design, has announced Happy Excursion by [Shao Cheng and Tao Cheng](#) as the Silver Award winner in the Interior Space and Exhibition Design category. This esteemed award celebrates the exceptional design and innovation demonstrated in the Model House project, positioning it as a noteworthy achievement within the interior design industry.

Happy Excursion

Happy Excursion's Silver A' Interior Space, Retail and Exhibition Design Award underscores its relevance to current trends and needs within the interior design sector. The design aligns with industry standards and practices while offering practical benefits to users, the industry, and stakeholders through its innovative approach to functionality and aesthetics.

The award-winning design stands out for its thoughtful integration of natural elements such as wind, light, and water, creating a captivating illusion of a tranquil river flowing beneath visitors' feet. The meticulously crafted wooden cabinets, adorned with carefully selected and dyed wood veneers, showcase a perfect harmony between nature and sophistication. The undulating patterns of the end wall, vibrant Amazon green floor, and innovative skylight panel contribute to the space's dramatic tension and ethereal quality.

This recognition from the A' Interior Space, Retail and Exhibition Design Award serves as

motivation for Shao Cheng and Tao Cheng to continue pushing the boundaries of design excellence and innovation. The award-winning Happy Excursion project has the potential to inspire future designs and influence industry standards, fostering further exploration and creativity within the field.
