

History Flows As One by Kiwook Kim Wins Silver in A' Education Awards

Kiwook Kim's innovative textbook design recognized for excellence in education and training content by the prestigious A' Design Award.

COMO, CO, ITALY, November 12, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected and well-recognized award in the field of [education](#) design, has announced [Kiwook Kim's](#) "History Flows As One" as the Silver winner in the Education, Teaching Aid and Training Content Design category. This prestigious recognition highlights the significance of Kim's innovative textbook design within the education industry.

History Flows As One addresses current trends and needs in the education sector by presenting a novel-inspired approach to textbook design. By creating a more engaging and immersive learning experience, this design aligns with the industry's focus on student-centric learning and the integration of storytelling elements to enhance knowledge retention and understanding.

Kim's award-winning design stands out for its unique concept of connecting the past and present through a time-slip motif. The textbook is divided into two books, with the first focusing on daily life in the past and the second on the present. The cover features a man and woman from different eras walking toward each other, with a dog acting as a medium to connect the two time periods. The gilded treatment of certain elements emphasizes the design's luxuriousness and speciality.

The recognition of History Flows As One by the A' Education Awards serves as motivation for Kiwook Kim and the Mirae-N Design Team to continue pushing the boundaries of textbook
