

Greenberg Traurig Poland Office by Bit Creative Wins Silver in A' Interior Design Awards

Bit Creative's Minimalist Yet Elegant Office Design for Greenberg Traurig Poland Recognized with Prestigious A' Interior Design Award

COMO, CO, ITALY, November 12, 2025 /EINPresswire.com/ -- The A' Design Award, one of the world's most respected design competitions, has announced that the Greenberg Traurig Poland office, designed by [Bit Creative](#), has been honored with the Silver A' [Interior](#) Design Award. This highly prestigious recognition underscores the exceptional quality and innovation of Bit Creative's minimalist yet elegant office design within the competitive interior design industry.

The Silver A' Interior Design Award for the Greenberg Traurig Poland office holds significant relevance for the interior design industry and its clients. By showcasing the successful integration of aesthetics, functionality, and sustainability in a corporate setting, this award-winning design serves as a benchmark for excellence in office interior design. It demonstrates how thoughtful design can enhance the work environment, boost productivity, and reflect a company's values and culture.

Bit Creative's design for the Greenberg Traurig Poland office in Warsaw's Varso Tower stands out for its minimalist approach, which is enriched by carefully selected natural materials, bespoke details, and a curated collection of artwork. The entrance area features a striking sculptural element that sets the tone for the entire office. The layout prioritizes privacy while fostering collaboration, with a warm color palette of beiges and complementary textures creating an inviting atmosphere. The innovative use of lighting, a structured ceiling composition, and state-

Greenberg Traurig Poland

of-the-art audiovisual systems further elevate the design.

The recognition bestowed by the Silver A' Interior Design Award will undoubtedly inspire Bit Creative to continue pushing the boundaries of office design. This achievement validates their approach and expertise, positioning them as a leading force in creating work environments that prioritize both form and function. As the team celebrates this milestone, they remain committed to delivering tailored, innovative solutions that meet the evolving needs of their clients and the industry at large.

Greenberg Traurig Poland was designed by a talented team at Bit Creative, including arch. Barnaba Grzelecki, arch. Jakub Bubel, arch. Agata Krykwińska, arch. Katarzyna Biedrzycka-Macioch, arch. Anna Margola, arch. Zuzanna Wojda, arch. Joanna Zaorska, and arch. Malwina Klimowicz.

About Silver A' Design Award

The Silver A' Design Award recognizes top-tier designs that exemplify excellence and innovation. Recipients of this award are acknowledged for their significant contributions to raising industry standards and advancing the practice of design. The rigorous selection process involves blind peer review by an expert jury panel, ensuring that only the most outstanding and impactful designs are honored. The Silver A' Design Award celebrates designs that incorporate original innovations, demonstrate strong technical characteristics, and showcase exceptional artistic skill and creativity.

About A' Design Award

The A' Design Award is an international, juried design competition that has been recognizing and promoting superior design across all industries since 2008. With a mission to create a better world through the power of good design, the A' Design Award motivates designers and brands to develop innovative products and projects that positively impact society. By providing a global platform to showcase pioneering designs, the competition fosters a cycle of inspiration and advancement. The rigorous evaluation process, conducted by a world-class jury of design professionals, industry experts, journalists, and academics, ensures that only the most groundbreaking and impactful designs receive recognition.
