

Gram Games by Mehmet Yasin Altindal - Park Studio Wins Silver in A' Interior Design Awards

*Mehmet Yasin Altindal - Park Studio
Receives Prestigious Recognition for
Innovative Gram Games Office Design*

COMO, CO, ITALY, November 12, 2025 /EINPresswire.com/ -- The A' [Design Awards](#), a highly respected competition in the field of [interior](#) design, has announced Mehmet Yasin Altindal - Park Studio as a winner of the Silver A' Interior Space, Retail and Exhibition Design Award for their exceptional work on the Gram Games office. This prestigious recognition highlights the significance of the Gram Games design within the interior design industry, acknowledging its innovative approach and superior execution.

The Gram Games office design showcases the relevance of immersive, game-inspired aesthetics in contemporary workspaces. By seamlessly integrating dynamic visual elements, functional layouts, and interactive spatial transitions, the design aligns with the evolving needs and trends of the interior design industry. This innovative approach not only enhances the user experience but also sets new standards for creativity and functionality in office environments.

The award-winning Gram Games office stands out for its unique fusion of gaming-inspired aesthetics and practical workspace design. The interior incorporates geometric patterns, layered textures, and playful material contrasts, creating a visually engaging environment that echoes the immersive nature of digital game worlds. The design balances open collaboration areas with focused work zones, ensuring seamless movement and adaptability. Custom-built furniture, acoustic treatments, and carefully selected finishes contribute to both the visual appeal and functionality of the space.

Gram Games

The Silver A' Interior Space, Retail and Exhibition Design Award serves as a testament to Mehmet Yasin Altindal - Park Studio's commitment to pushing the boundaries of interior design. This recognition is expected to inspire future projects within the studio, fostering further innovation and exploration in the field of workplace design. The award also motivates the team to continue striving for excellence, setting new benchmarks for creativity and functionality in interior spaces.

Gram Games was designed by a talented team of professionals, including Mehmet Yasin Altindal, who led the project as the principal [designer](#), Betul Tugrul, who contributed to the spatial planning and material selection, and Buse Kaya, who focused on the lighting design and custom artwork integration.

About Park Studio

Park is an interior architecture studio that provides design solutions for remarkable, innovative and functional spaces. They incorporate a holistic approach through their innovative and dynamic culture with a keen eye for aesthetics and a refined taste for design.

About Silver A' Design Award

The Silver A' Design Award recognizes top-tier designs that embody excellence and innovation in the field of Interior Space and Exhibition Design. Recipients are acknowledged for their contributions to raising industry standards and advancing design practices through their mastery of innovative use of space, material selection, functional layout design, color schemes, lighting design, sustainability, cultural relevance, aesthetics, ergonomics, and attention to detail. The rigorous selection process involves blind peer review by a world-class jury panel of design professionals, industry experts, journalists, and academics, ensuring that only the most deserving projects receive this prestigious recognition.

About A' Design Award

The A' Interior Space, Retail and Exhibition Design Award is a highly respected international competition that promotes excellence in design and innovation within the interior design industry. Welcoming a diverse range of participants, from visionaries and leading agencies to innovative companies and influential brands, the award provides a platform to showcase creativity, gain recognition, and advance the interior design field. The competition, now in its 17th year, is driven by a philanthropic mission to enhance society through the power of good design, recognizing and celebrating remarkable achievements that positively impact the global community.
