

SaunaHeaters.com Expands with New Electric Sauna Heaters and Wood-Burning Sauna Stoves for Residential & Commercial Use

SaunaHeaters.com's new website showcases the best selection of electric, infrared, and wood-burning sauna heaters for both residential and commercial settings.

SAN FRANCISCO , AR, UNITED STATES,
November 15, 2025 /

EINPresswire.com/ --

[SaunaHeaters.com](https://www.SaunaHeaters.com), a trusted online retailer specializing in sauna heaters, sauna and accessories, today announced the launch of its newly redesigned website along with an expanded range of sauna heaters designed for both home and commercial use.

This launch reflects SaunaHeaters.com's commitment to the growing wellness and home improvement market, offering solutions that combine energy efficiency, safety, and style. From compact residential models to heavy-duty commercial heaters for spas, gyms, and resorts, the company's new lineup supports the rising demand for high-quality sauna equipment across the home & garden, wellness, and construction sectors.

"We're seeing more homeowners and wellness operators investing in saunas as part of a broader commitment to health, relaxation, and overall well-being," said Mark Adams, Sauna Specialist at SaunaHeaters.com. "Our redesigned website and expanded product range make it easier than ever to find the right heater for any space, with expert guidance every step of the

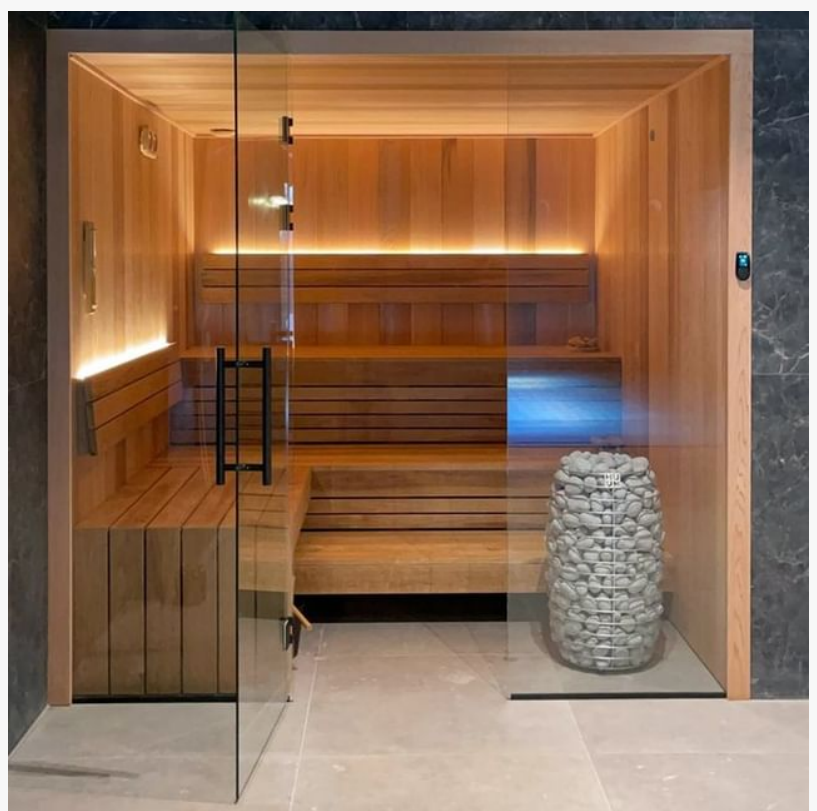

The Harvia Pro 26 Wood Burning Sauna Stove (Model WKPR26M) is a wood-fired Finnish heater that combines classic craftsmanship with modern durability, making it ideal for those who prefer the ritual of a wood-burning sauna over electric alternatives.

way.”

A Modern Website for a Growing Market

The redesigned SaunaHeaters.com website serves as a trusted resource for the growing sauna industry, projected to reach \$1.27 billion by 2030. The site makes it easier for customers to explore products, access expert guidance, and make informed purchasing decisions, with features that include:

1. Simplified navigation and product filtering, helping customers find the ideal heater based on sauna size, power, and application.
2. In-depth resources on sauna installation, ventilation, and maintenance.
3. Mobile-friendly design for seamless browsing across all devices.
4. A dedicated commercial section for hotels, spas, and fitness centers.

The HIVE®Mini®10.5kW electric sauna heater features a floor-standing design, WiFi-enabled control options, and Scandinavian craftsmanship from Estonia, blending high-end aesthetics with home sauna performance.

Expanded Sauna Heater Collection

The enhanced catalog now includes:

1. [Electric sauna heaters](#) offering reliable, consistent warmth.
2. Infrared sauna heaters for efficient, gentle heat and modern spa design.
3. [Wood-burning sauna stoves](#) for a traditional, authentic experience.
4. Commercial-grade units built for durability in high-traffic environments.

Every model is backed by industry-leading warranties and professional support, ensuring long-term reliability and safety.

About SaunaHeaters.com

SaunaHeaters.com is a U.S.-based online retailer dedicated exclusively to premium sauna heating systems and accessories. The company partners with top international manufacturers to offer a full range of electric, infrared, and wood-burning sauna heaters for residential, commercial, and wellness applications. With a focus on quality, design, and customer service, SaunaHeaters.com helps clients across the home & garden, construction, and wellness industries create exceptional sauna experiences.
