PALM HARBOR, FL, UNITED STATES, November 12, 2025 / EINPresswire.com/ -- [The Fran Haasch Law Group Accident & Injury Lawyers](https://www.einpresswire.com/---The-Fran-Haasch-Law-Group-Accident-&-Injury-Lawyers) will host its [17th Annual Food Drive](#) on Friday, November 14, uniting the Tampa Bay community to combat food insecurity and support families in need during the upcoming holiday season.

Fran Haasch Food Drive

Each year, this event serves as a powerful reminder of the generosity and compassion within the Tampa Bay area. As economic pressures continue to mount—rising rent, insurance premiums, and everyday living expenses—more local families are struggling to afford basic necessities.

“

For the first time, former donors are now asking how they can receive assistance. The need is real, and your support has never been more essential.”

FEAST Food Pantry, the event’s longtime partner, has become a critical lifeline for thousands, reporting its busiest month on record in October after serving 5,800 people.

“This may be the most important food drive in our firm’s history,” said Fran Haasch, Founder of the Fran Haasch Law Group. “For the first time, former donors are now asking how they can receive assistance. The need is real, and your support has never been more essential.”

With an estimated half-million additional residents now at risk of food insecurity in the Tampa Bay region, this year’s drive aims to break previous records and replenish the shelves at FEAST ahead of the holidays. Last year’s event collected more than 36,000 pounds of food, contributed \$13,000 in checks and gift cards, and supported 134 families in a single afternoon.
