

FLORIDA HEALTHY START STATEWIDE FOOD DRIVE

TALLAHASSEE, FL, UNITED STATES,
November 13, 2025 /
EINPresswire.com/ -- TALLAHASSEE, FL,
November 5, 2025— In response to the
interruption in Supplemental Nutrition
Assistance Program (SNAP) benefits
this fall, [The Florida Association of
Healthy Start Coalitions \(FAHSC\)](#) and
[Florida Healthy Start Coalitions](#)

throughout the state are collecting
non-perishable food donations for the month of November. They will deliver these donations to
local food banks or distribute them directly to their clients, depending on community needs.

Harnessing the power of over 30 years as a leading nonprofit in the state of Florida to improve
the lives of families through services developed to meet the needs of pregnant and post-partum
mothers, fathers, infants, and young children up to age three, FAHSC uses a community-focused
model that supports 32 coalitions throughout the state. Each coalition is uniquely qualified to
meet their community needs as they are part of the communities they serve and are integrated
into local agencies, services, and systems of care. This personalized, first-hand knowledge gives
Florida Healthy Start coalitions a distinct ability to respond to immediate community needs.
