

John Bolton Critiques Trump-era Foreign Policy on MOXY Channel with Award-winning Journalist Sandra Peebles

AUSTIN, TX, UNITED STATES, November 17, 2025 /EINPresswire.com/ -- Veteran journalist Sandra Peebles conducted an in-depth interview with former U.S. National Security Advisor and Ambassador to the United Nations John Bolton - available on MOXY, the nation's leading civic engagement platform also known as the 21st-century public square.

The conversation, produced through MOXY's Journalism Partner Program, gives voters direct access to substantive domestic and foreign policy insights from one of the country's most recognized political figures. At a moment when Americans seek credible and substantive information they can trust, this interview offers clarity on global issues that shape the nation's future.

"I think the right policy for the United States should be regime change in Venezuela..." John Bolton, former National Security Advisor under Trump Administration 45, Ambassador to the United Nations.

Introducing MOXY: A Civic Ecosystem That Puts Voters First

Civic information is often scattered, confusing, or filtered through partisan channels. MOXY was created to simplify that landscape.

MOXY is a civic engagement platform — a comprehensive ecosystem that unifies personalized civic tools, credible journalism, official data, and constructive dialogue in one accessible place. It empowers voters with clarity, supports journalists with visibility and sustainability, strengthens organizations, and enables transparent engagement between residents and their elected officials.

Within MOXY, users gain access to:

Veracity® Rated News

A robust and broad spectrum newsfeed featuring hundreds of outlets across the ideological spectrum, each with ratings and analysis supplied by Newsguard®.

Comprehensive Official Data

Detailed representative profiles, campaign funding transparency, legislative tracking, and vote histories.

Personalized Civic Tools

Ballots tailored to each voter's home address, local directories of elected leaders, petitions, election reminders, and more.

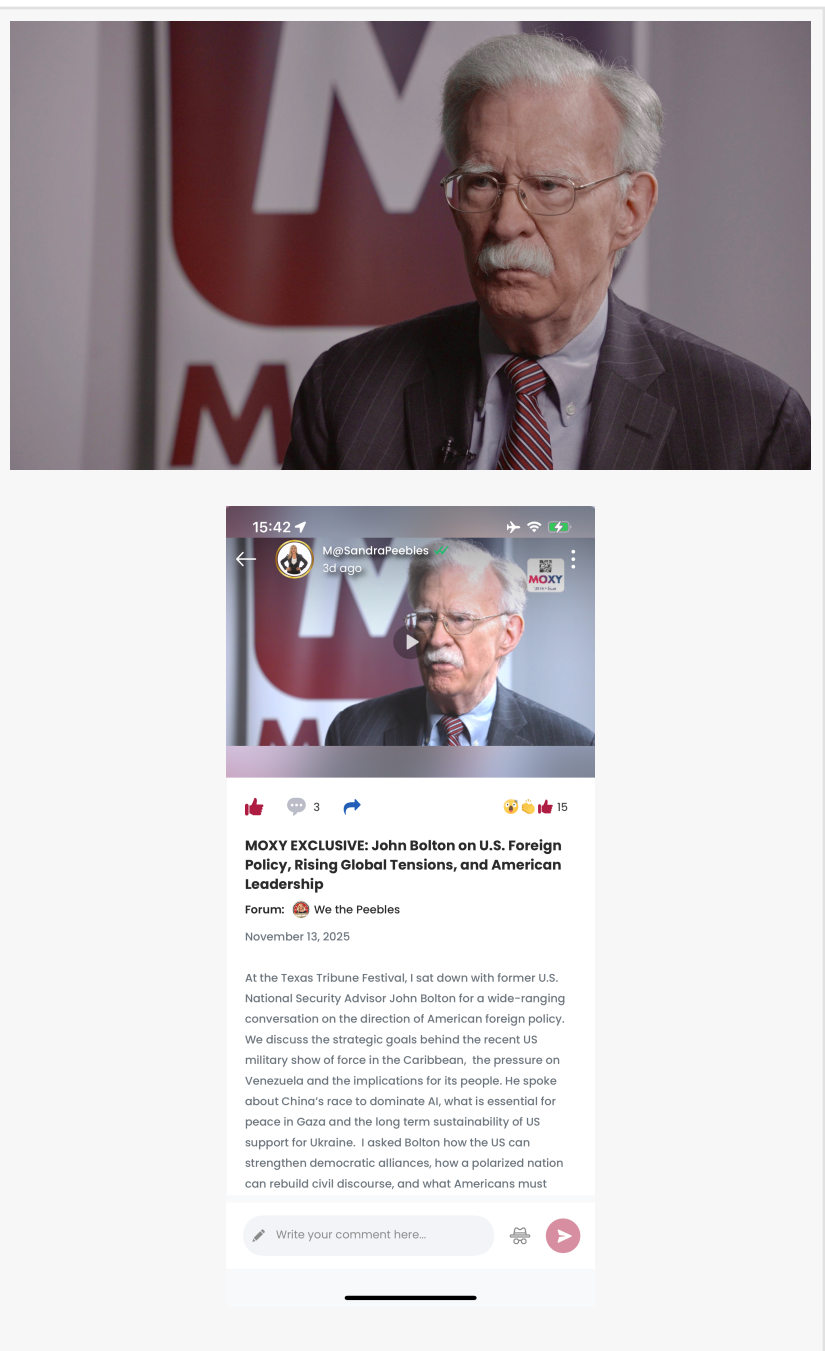

Creator-Powered Journalism

Journalists like Sandra Peebles receive the tools and reach they need to bring independent reporting directly to engaged civic audiences.

Interactive Civic Dialogue

Forums, live streams, podcasts, community chats, and collaborative features that foster respectful, people-centered participation. MOXY brings voters, journalists, organizations, and elected officials into one transparent civic ecosystem — Democracy, Simplified.

Leadership Perspective

“MOXY was designed to make civic engagement clear, accessible, and empowering,” said César M. Melgoza, Founder & CEO of MOXY. “Sandra Peebles’ interview with Ambassador Bolton is exactly the kind of credible, in-depth journalism that helps voters understand complex issues with confidence.”

Accessing the Interview

The full conversation with John Bolton, conducted by Sandra Peebles on her forum We the Peebles, is available now on MOXY for iOS, Android, and web browsers.

About MOXY

MOXY is a modern civic engagement platform for empowering voters with clarity, transparency, and credible information. Through personalized voter tools, Veracity®-rated news, journalism channels, organizational outreach, and transparent connections to elected officials, MOXY strengthens civic participation and trust — all within a single, accessible ecosystem. Democracy, Simplified.

MOXY is an online platform designed to inform and engage voters within a contemporary, educational and inclusive format. It features detailed location-based information such as elected officials, legislation, ballots and voting process information tailored to a voter’s own jurisdictions. It also includes a wealth of survey research which members have the option to participate in, plus forums, POV’s, Podcasts and Live Streams facilitate discussion among its users. The elegantly simple user interface, its blend of official and user-generated content along with its constructive approach to discourse makes MOXY one-of-a-kind among platforms.

MOXY Interview Content – Terms of Use

These Terms of Use (“Terms”) govern the use, reproduction, distribution, or broadcast of the interview featuring former U.S. National Security Advisor John Bolton, conducted by journalist Sandra Peebles (“Interview”), and any related video, audio, transcripts, still images, or promotional materials (collectively, “MOXY Content”). By downloading, accessing, referencing, or broadcasting MOXY Content, you agree to comply with the following:

1. Permitted Use

MOXY grants you a limited, revocable, non-exclusive license to use the MOXY Content for editorial news coverage only, including:

- Broadcast segments

- Digital and print news stories
- Online articles or clips
- Social media posts tied to timely reporting
- One minute excerpt, maximum

All uses must comply with the conditions in this document.

2. Required Courtesy Attribution

All uses must visibly and audibly attribute the content to:

“Courtesy: MOXY.live”

Attribution must appear:

- On-screen for video
- In captions or descriptions for digital use
- Within print or written stories
- In social media posts referencing or embedding the content

3. Watermark Requirements

A visible MOXY watermark must remain on-screen at all times.

The watermark:

- May not be removed, obscured, cropped, blurred, or altered
- Must be clearly legible throughout the duration of any clip or still-frame usage
- Must remain in its original placement and proportions

Any manipulation of the watermark is strictly prohibited.

4. Prohibited Use

You may not:

- Use any MOXY Content out of context, including edits that materially alter meaning, intent, or tone.
- Use the content to imply endorsement, political alignment, or partisan affiliation by MOXY, Sandra Peebles, the interviewee, or any MOXY partner.
- Use clips in a misleading or manipulated manner, including splicing, reframing, colorizing, or adding effects that distort accuracy.
- Use MOXY Content for commercial advertising, paid promotions, political persuasion, or fundraising.
- Republish, sell, sublicense, or claim ownership of the MOXY Content.

5. Timeliness & Outdated Content

MOXY Content may contain information that becomes outdated. To avoid misrepresentation, users agree to:

- Not repost, rebroadcast, or repackage MOXY Content after a “reasonable news window,” defined as 30 days from release, unless granted renewed written permission from MOXY.
- Not present outdated clips as current, including reposts without date context.
- Include publication or broadcast date when using archived clips.

MOXY reserves the right to revoke permission at any time should content no longer reflect timely or accurate context.

6. No Derivative Works Without Approval

You may use excerpts, but may not create derivative content such as:

- Supercuts
- Out-of-sequence edits
- Mashups
- AI-generated alterations
- Dramatic reinterpretations or reenactments

Any derivative material requires prior written consent from MOXY.

7. Brand Integrity Protection

Users agree not to use MOXY Content in any way that:

- Harms MOXY’s reputation
- Misstates MOXY’s mission as a non-partisan civic engagement platform
- Misattributes statements or editorial positions
- Suggests MOXY endorses any political party, candidate, or ideology

MOXY retains sole discretion to determine what constitutes misuse.

8. Revocation of Rights

MOXY may revoke usage rights immediately and without notice if:

- These Terms are violated
- The content is used inappropriately, misleadingly, or out of context
- The brand is presented inaccurately
- The watermark or courtesy attribution is altered or removed

Upon revocation, all usage must cease immediately, and content must be deleted from all systems, feeds, and platforms.

9. Acceptance of Terms

By downloading or using MOXY Content, you acknowledge that you have read, understood, and agree to comply with these Terms.

For questions, permissions, or renewal of rights, contact:
