

Lyra K Releases New Single 'Foreign'

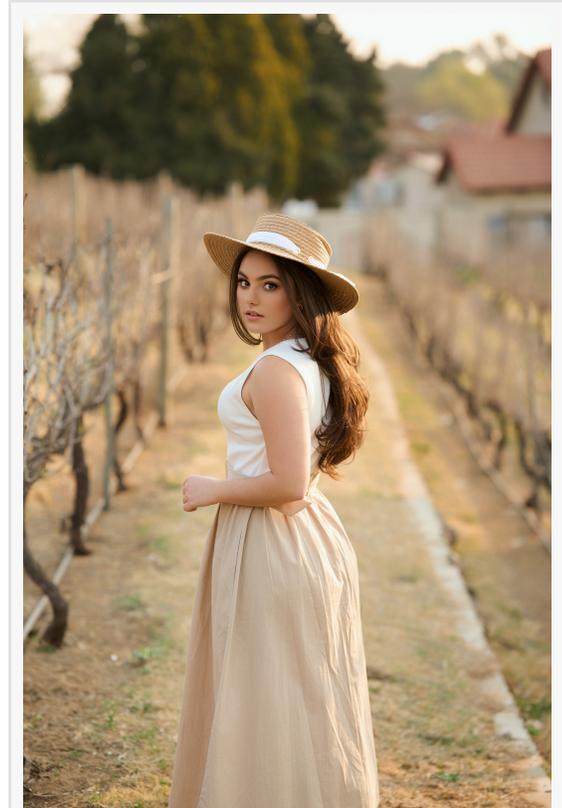

Following the Success "Echoes of Us"

CA, UNITED STATES, November 14, 2025

/EINPresswire.com/ -- South Africa's own illustrious singer-songwriter, Lyra K, is thrilled to announce the release of her latest single, "Foreign." After captivating audiences with her previous hit, "Echoes of Us" — which resonated strongly not only in South Africa but across multiple continents — Lyra continues to share her musical journey and insights with the world.

"Foreign" is a reflective and evocative piece born from Lyra's transformative travels across Europe. This journey provided her with a fresh perspective on the world, infusing her music with rich, heartfelt narratives that transcend geographical boundaries.

In Lyra's own words: "This song is about embracing the unknown and finding beauty in the unfamiliar. Traveling through Europe opened my eyes and mind, and I wanted to capture that feeling of discovery and understanding in this song. It's a tribute to all the new perspectives that life's journeys bring."
