

Spoken Bible App Launching Q4 2025: Building Family Legacies Through the Word of God

Spoken lets families record and share Scripture in their own voices—building legacies of faith that last for generations.

PORTLAND, OR, UNITED STATES,
November 14, 2025 /

EINPresswire.com/ -- Spoken, a new mobile Bible app, is helping families and friends create lasting faith legacies by recording and sharing Scripture in their own voices. This new app allows users to record, listen to, and preserve readings. Spoken brings together technology and tradition in a deeply personal way.

Built on the belief that two things endure forever—your family and the Word of God—Spoken connects generations through the simple yet profound act of reading Scripture aloud. Families can now hear loved ones read their favorite verses anytime, strengthening bonds across time, distance, and culture.

“

Our mission is to create a legacy through spoken Scriptures, helping families preserve faith for generations.”
