Award-Winning Kitchen Remodeling Project by Aksesuar Design in Chantilly, VA

“

Our clients are not just looking for a new kitchen. They want a space that feels calm and beautiful every day”

Sam Kanberoglu

Located at 5700 General Washington Dr Unit E, Aksesuar Design Bath & Kitchen offers a destination showroom where clients can see, touch, and experience complete kitchen displays before starting their renovation. From high end kitchen cabinets and countertops to integrated lighting and storage solutions, the showroom is designed as an immersive kitchen design studio and kitchen showroom in Alexandria VA.

“Our clients are not just looking for a new kitchen. They want a space that feels calm and beautiful every day,” says Sam Kanberoglu, lead designer at Aksesuar Design Bath & Kitchen. “We combine European aesthetics, German quality, and careful space planning so every kitchen

remodel is both elegant and effortless to live in."

A European kitchen showroom focused on real life comfort

Unlike big box retailers and ordinary showrooms, Aksesuar Design Bath & Kitchen specializes in European kitchens with German quality cabinets and warm, modern finishes. The showroom features:

Modern Nolte kitchens and other European brands set up as full, real life kitchens

Functional storage ideas for cooking, entertaining, and everyday family life

Integrated lighting, hidden power outlets, and clever organizational details

Options for open concept layouts, islands, and compact city kitchens

This hands on experience helps homeowners understand layout, storage, and materials before committing to a kitchen renovation in Alexandria or the DC area.

Full service kitchen remodeler for DC, Virginia, Maryland and New York

Aksesuar Design Bath & Kitchen provides a complete design to installation experience for kitchen remodeling in Alexandria VA and the greater Washington DC region, including:

Concept and layout planning by experienced kitchen designers

3D design presentations that show the new kitchen before construction

Selection of cabinets, countertops, appliances, tiles, and lighting

Quiet luxury kitchen in greige and tobacco oak with a slim island for relaxed entertaining.

Light filled living kitchen with island, lounge niche and tall storage wall.

Coordination with contractors and trades for a smooth installation

The team serves homeowners in Alexandria, Arlington, Fairfax, McLean, Vienna, and the wider Northern Virginia area, as well as Washington DC and nearby Maryland communities such as Bethesda, Chevy Chase, and Silver Spring. Akseuar Design Bath & Kitchen also supports select projects in New York, especially the East Hampton area, for clients who want European kitchen design and luxury remodeling in their coastal or second homes.

For homeowners searching for a [kitchen remodeler near me](#) or a [luxury kitchen remodeler in Northern Virginia, Maryland, Washington DC](#), or New York, the company positions itself as a design driven partner that balances aesthetics and function.

Trusted, accredited, and highly rated

Akseuar Design Bath & Kitchen is a BBB accredited business and maintains strong ratings and reviews on Google, Houzz, and Yelp, reflecting a track record of successful projects and customer satisfaction.

The company's reputation and online presence help it compete for high intent local searches such as "best kitchen remodeler in Washington DC," "[best kitchen remodeler in Virginia](#)," "best kitchen remodeler in Maryland," and "best kitchen remodeler in New York." These searches often start in Google Maps, where homeowners compare showrooms, read reviews, and look at project photos before contacting a design studio.

"Local clients are very informed," adds Sam Kanberoglu. "They search for kitchen remodelers on

Natural oak fronts bring warmth and texture to a modern island.

Rose marble countertop with sculptural faucet and soft lighting.

Google Maps, check reviews on Houzz and Yelp, and study project photos before they ever call us. Our job is to earn that trust with clear communication, transparent pricing, and thoughtful design."

Designed to be found on Google Maps

To support local homeowners who begin their planning online, Akseuar Design Bath & Kitchen continues to expand its digital presence. The company:

Keeps its Google Business Profile updated with current photos, projects, and posts

Shares recent kitchen remodels from the Alexandria showroom on Instagram, Facebook, YouTube, and its blog

Maintains accurate and consistent NAP details across directories such as Google, Yelp, Houzz, BBB, and local listings

By combining a physical showroom with strong online visibility, Akseuar Design Bath & Kitchen aims to be the first choice whenever someone in the region searches for "kitchen showroom Alexandria VA," "kitchen design studio near Washington DC," "kitchen remodel Alexandria VA," or high end kitchen remodelers in Maryland and New York, including East Hampton.

Visit the Alexandria kitchen showroom

Homeowners considering a kitchen remodel are invited to visit the Alexandria showroom by appointment or during regular business hours. Designers are available for one on one consultations to discuss layouts, budgets, and timelines.

For those who want a clear starting point, Akseuar Design Bath & Kitchen offers transparent cabinet pricing for small, medium, and large kitchens, plus full design services for complete remodels.
