

Darlene DiBona Chesko to Appear on Women In Power TV

FL, UNITED STATES, November 17, 2025 /EINPresswire.com/ -- Darlene DiBona Chesko, cosmetic and reconstructive tattoo practitioner, is set to appear on Women In Power TV, where she will share insights on trauma-informed artistry, listening with compassion, and why tattooing can function as wellness care rather than aesthetics alone.

Women In Power is a cinematic docu-series showcasing influential entrepreneurs and industry leaders by capturing their personal and professional journeys. This unique show, hosted by Celebrity Entrepreneur Rudy Mawer, features powerful stories that can be viewed on the official website.

In her episode, Chesko explores how intuitive communication, creating safe and affirming spaces, and adapting techniques for each client contribute to effective, meaningful tattoo work. She breaks down how small wins, note-taking, and curiosity-driven refinement elevate care and support clients navigating healing, identity, and reconstruction.

Her episode also provides an understanding of how intention can transform any tattoo into a wellness experience.

“The viewer will walk away with a clear understanding of how even the smallest tattoo can aid in a personal journey or be a balm to one’s mental and emotional health,” said Chesko.

Darlene’s episode will be available soon on Inside Success Network streaming platforms. In the meantime, you can find out more by visiting <https://www.womeninpowertv.com/darlene-dibona-chesko>
