*Kuremara launches three new NDIS-approved SIL homes in Cranbourne, Hampton Park and Truganina, expanding accessible and independent living options in Melbourne.*

MELBOURNE, VICTORIA, AUSTRALIA, November 17, 2025 / EINPresswire.com/ -- Kuremara, a registered NDIS provider delivering quality disability support services across Australia, is proud to announce the addition of three new Supported Independent Living (SIL) properties in Cranbourne, Hampton Park, and Truganina. These homes are now ready for occupancy under NDIS plans, offering participants safe, accessible, and community-connected living environments.

The advertisement features a photograph of a modern, single-story house with a brick and grey facade, a dark grey garage door, and a covered entryway. The house is set against a clear blue sky. At the top left of the ad is the Kuremara logo, and at the top right is the 'I ♥ ndis Registered NDIS Provider' logo. A blue banner at the bottom of the photo contains the text 'SIL Vacancies in Melbourne'. Below the photo, there is a white bar with contact information: a globe icon followed by 'www.kuremara.com.au', a telephone icon followed by '1300 000 799', and an envelope icon followed by 'care@kuremara.com.au'. The entire ad is framed by a rainbow-colored border at the top and bottom.

The new SIL properties are strategically located close to public transport, parks, and healthcare facilities, ensuring residents enjoy both independence and convenience. Each home is purposefully designed to meet NDIS accommodation standards, supporting individuals with disabilities to live confidently and comfortably while receiving the care they need.
