

Achievable Partners with the Coalition for Equity in Wholesaling to Provide FINRA SIE Courses to NextGen Students

SAN FRANCISCO, CA, UNITED STATES, November 17, 2025 /EINPresswire.com/ -- [Achievable](#), a leading modern test preparation platform, today announced a new partnership with the [Coalition for Equity in Wholesaling](#) to provide affordable [FINRA Securities Industry Essentials \(SIE\) exam prep courses](#) to NextGen Students. Through this collaboration, Achievable will support SIE

Scholars participating in the Coalition's programs as part of the company's Achievable For All initiative.

Our mission at Achievable has always been to make test prep more effective, more affordable, and more accessible."

Tyler York, CEO, Achievable

This partnership aims to expand access to critical financial education for college students from underrepresented backgrounds, helping them earn securities licenses and accelerate their careers in the financial services industry.

"Access to education is one of the most powerful tools for

change," said Angela Tennison, Executive Director of the Coalition for Equity in Wholesaling. "By working with Achievable, we can remove barriers that too often prevent talented students from pursuing careers in financial services. This partnership is another step forward in our mission to create equity and opportunity in wholesaling and beyond."

Achievable's Achievable For All program provides discounted or free access to the company's test prep resources for nonprofits and organizations supporting underrepresented communities. The program has previously partnered with organizations including Mamas Unidas Little Rock and BLK Capital Management to provide high quality, affordable test preparation for standardized exams such as the ACT and FINRA Series 7.

"Our mission at Achievable has always been to make test prep more effective, more affordable, and more accessible," said Tyler York, CEO of Achievable. "Partnering with the Coalition for Equity in Wholesaling allows us to help prepare the next generation of diverse leaders in financial services while continuing our mission of equity in education."

The partnership reinforces Achievable's commitment to equity and inclusion in professional development. By providing resources, mentorship, and community support, the Coalition and Achievable are helping college students and aspiring professionals build the skills, confidence,

and credentials needed to succeed in financial services.
