EINPresswire.com/ -- Jerry Reynolds, host of the nationally syndicated [Car Pro Show](#), was officially inducted into the [Texas Radio Hall of Fame](#) (TRHOF) during a ceremony held at the Texas Museum of Broadcasting and Communications in Kilgore. The honor recognized Reynolds' decades-long impact on Texas radio and his dedication to educating and empowering automotive consumers across the country.

Jerry Reynolds, host of the nationally syndicated Car Pro Show, was officially inducted into the Texas Radio Hall of Fame

The Car Pro Show, which first aired in 2001, was created from Reynolds' vision to "pull back the curtain" on the car-buying process and bring transparency to the automotive industry. Today, the show is broadcast nationwide and continues to be a trusted source of automotive news, reviews, and buying advice.

“

I started the radio show because I felt there was a need for someone to remove the mystery behind the automobile business.”

“I feel very blessed to have had two successful careers—one in the auto industry and then later in radio,” said Reynolds. “I started the radio show because I felt there was a need for someone to remove the mystery behind the automobile business. My hope is that The Car Pro

Show has informed and encouraged consumers to buy their dream car with confidence.”

A respected voice in both the automotive and broadcasting industries, Reynolds joins a

distinguished list of TRHOF inductees, including radio legends Kidd Kraddick, Ron Chapman, Terry Dorsey, Russ Martin, Hal Jay, and Kevin McCarthy, Reynolds' longtime co-host of 23 years.

"To be honored and even mentioned alongside the great names already in the Texas Radio Hall of Fame is a dream come true for me," Reynolds added. "I am humbled and thankful to be part of this year's class."

The Texas Radio Hall of Fame, founded in 2002, celebrates the achievements and lasting contributions of radio professionals who have shaped the broadcasting landscape in Texas and beyond. Each year, industry peers and fans nominate and vote on individuals whose talent, innovation, and service have made a significant impact on Texas radio history.

Adding to an already remarkable year, The Car Pro Show was also named 'Best Radio Show in Texas' by the Texas Auto Writers Association—marking the sixth time it has taken top honors in the Radio/Podcast category, along with numerous second and third place awards over the years.

"Being inducted into the Texas Radio Hall of Fame and learning that The Car Pro Show won 'Best Radio Show in Texas' for the sixth time is more than I could ever have dreamed of when I started the show," said Reynolds. "Even after 24 years on WBAP, I still get excited when the red light comes on my mic every Saturday morning, and the announcer says, 'And here's the man they call the Car Pro, Jerry Reynolds.'"
